PO Safe At Mitchell 'Peeled,' \$1000 Gone

Professional 'Yeggs'
Also Steal 500 Money
Order Blanks, Machine

Professional safe crackers hit the Mitchell post office early Tuesday morning and made off with \$1000 in cash and stamps, 500 money order blanks, a money order machine and the validating stamps used at the Mitchell office.

County authorities said the safe was opened by the thieves who forced the front door open with a pry bar. The sheriff's office has been joined by postal inspectors in making the investigation.

A postal inspector told Granite City Postmaster Theodore Overbeck that similar thefts have occurred at post offices across the nation. Overbeck said the safe lock included \$100 cash and \$500 in stamps.

The theft was discovered at 8 a.m. Tuesday.

Diamond Ring Stolen

A man's nine-point diamond ring valued at \$550, owned by William B. Miller, 2225 Waterman avenue, was stolen from a table at his home while he was gone for about a half hour Tuesday. He reported it at 3:30 p.m. The back door was left unlocked.

Gary D. Bloodworth, 2315 Illinois avenue, reported at 9:10 a.m. today that after midnight a television set was stolen from his home. Entry was gained by jacking open the rear door.

House Ransacked

Mrs. Leigh Watson, 2904 Willow avenue, reported at 5:55 p.m. Wednesday that burglars ransacked her home between 8 a.m. and 8:30 p.m., scattering contents of all the rooms on the floor, breaking breakable items and spilling and smearing lozions throughout the house. There was no sign of forced entry.

A 1956 rear auto assembly was taken under a 1946 car parked in front of Rudy's service station, 3907 Edwardsville street, after 10:30 p.m. Tuesday, it was reported by Rudy Bailey at 8:40 a.m. Wednesday. The car had just been repaired and the assembly was not yet bolted to the car. It was valued at \$60.

Rain Causes Accident

When a car driven by Sharon Hodshire, 2902 Pershing avenue, stopped suddenly at 9 a.m. today at Namooki road and Madison avenue, it was struck in the rear by the car of Augustus J. Smith, 3504 Franklin avenue, who skidded on wet pavement.

Starch Co. Meet Postponed; May Be Held Friday

A negotiation session scheduled for today between union and company representatives to renew discussion of Union Starch & Refining Co. strike issues was postponed and is now tentatively set for Friday. The meeting had been scheduled to convene at 10 a.m.

A company spokesman said officials are completing a detailed outline of work classifications and job assignments proposed by the company's craft negotiators, one of the major points at issue in the strike negotiations. The information was requested by the union during a two-day negotiating session last week.

U. S. Conciliators said today there are no plans whether a negotiating session will be held Friday. Bernard O'Keefe, mediation agent who has been handling the starch company strike, was out of the city today on another matter and may be away tomorrow.

Meanwhile, striking members of the Oil, Chemical and Atomic Workers Union, preparing for any eventuality, moved a bus on to its headquarters, lot at West 19th street and Bryan avenue to be used as a winter headquarters needed. Thomas Austin, president of the union, said the bus, which has no motor, will be remodeled inside and heat will be installed. The bus was purchased out of union funds.

Bi-State Agency Preparing to Start Rapid Transit Survey

The results of three experimental rapid transit systems nearing completion in the San Francisco Bay area and at Pittsburgh and Baltimore, Md., are expected to prove beneficial in a Bi-State Development Agency study to provide a similar system for the Illinois-Missouri metropolitan area, including the Quad-Cities.

Col. R. E. Smyser jr., Bi-State executive director, told agency commissioners at a meeting Tuesday the proposed study to determine requirements and operation of an advanced mass transit system is expected to cost approximately \$300,000.

In other action, plans were announced for a dedication ceremony at Parks Metropolitan Airport, 3 p.m., Saturday, Oct. 16, with Gov. Otto Kerner and other distinguished officials to participate. Also discussed was conversion to diesel power of several gasoline buses, primarily used on school runs, and additional details were explained on a modern, automatic ticketing system to be installed in the Gateway Arch capsule transportation system.

\$500,000 Cost of Study

Although actual costs of the proposed transit study have not yet been discussed, Col. Smyser said, the half-million dollar figure is the maximum cost of preliminary studies which in each of the three metropolitan areas

previously mentioned. Up to two-thirds of the study costs may be eligible for federal reimbursement, Smyser said, with local government agencies providing the remaining third. At a later date, Col. Smyser continued, two teams of Bi-State directors will make a first-hand inspection of the new transit systems in San Francisco and Pittsburgh. He added that the tour will include a visit to a west coast experimental research site where different types of cars, tracks, styles and motors are being extensively tested.

Two engineering firms, Parsons, Brinckerhoff, Quade & Douglas, New York, and DeLeuw, Cather & Co., Chicago, will be asked to submit proposals on the time required for the overall rapid transit system study and the costs involved, the executive director said. A final review of qualifications and the selection of the consultant to prepare the study will be determined from the preliminary proposals.

Cooperation Necessary

In a statement issued by C. E. Townsend, the chairman said, "due to the magnitude of any undertaking involving a rapid transit system and since the establishment of such a system would be of benefit to the entire area, the carrying forward this program will require the wholehearted support and cooperation

Initiate New Phone Exchange On Sunday

New Numbers Assigned
To 2000 Customers
In Ponton, Mitchell

The new Ponton Beach telephone exchange building, built by Southwestern Bell Telephone Co. to serve the expanding areas of Mitchell and Ponton Beach and relieve overcrowded facilities in Granite City, will be placed in use Sunday at 12:01 a.m.

New dialing prefixes will go into use at that time for approximately 2000 residents of the area, according to John Michaels, manager of the Granite City office of Southwestern Bell Telephone Co.

The present prefixes of Glenview 1 and 2 will be replaced by SYcamore 7, and Triangle 6 and 7 will be replaced by Wellington 1 in the affected area, Michaels said.

Michaels said new numbers have been mailed to all phone customers and that a new phone directory will be distributed containing the new numbers Oct. 8. Meanwhile, new numbers will be given by operators when the old number is called. The new 1966 Granite City directory also will include a flap reminding callers to consult the new directory because of the number changes.

Meets Growing Demand

"The changeover is the result of the growing demand for telephone service in the Greater Granite City area," Michaels said. "Mitchell and Ponton area customers will be served by the new central office building which is located near the intersection Highway 111 and Ponton road."

Blast Furnace Contract Talks Continuing

Negotiations between company officials and representatives of approximately 550 members of the International Chemical Workers Union at the blast furnace department of Granite City Steel Co. were continuing today under a contract extension offer Oct. 1.

Although the contract extension, covering a four-month period, is due to end Friday, there has been no further union action on either an extension or a strike notice, it was learned today.

The old contract expired last June 1. The contract provided for an 11.5-cent per hour accrual, retroactive to June 1. Of the amount \$5.75 cents was to be applied to wages, with the balance to be paid in wages and fringe benefits as determined by the negotiations now under way.

Plant officials said all local issues were resolved some time ago, but several details remain under negotiation.

First Call Ceremony

A dinner to inaugurate the new service is being given for local area officials and dignitaries Saturday, and a ceremony in which Thomas Stafoff, mayor of the village of Ponton Beach, will make the first call will be held at the new building immediately afterwards.

Stafoff is trying to recall if he has any friends in Alaska.

Terry Labora y 4th Traffic Fatality in Weekend Crashes

Miss Terry Labora, 19, one of five persons injured in a two-car crash on Namooki road at Morris street, died Sunday morning.

Under study by the Granite City council of a proposal made Monday night for the cities of Madison and Venice to use temporarily the Granite City dump.

Handlebars Fly Off, Cyclist Hits House, 2 Hurt

The handlebars came off of a motorcycle operated by Michael W. Freeman, 17, of 119 Briarcliff, causing him to lose control, and struck the rear of a house owned by William Smalley, 3311 Wabash avenue, at 5:20 p.m. Tuesday.

Freeman complained of pains. Landon Gosnell, seven, of 3317 Wabash avenue, who was in the house, was slightly injured when he bumped his head against the house while jumping back out of the way. There was slight damage to the house.

Kenneth B. Cardwell, 41, of 3263 Edgewood avenue, complained of pains after his auto struck the rear of a house owned by James E. Moore, 529 Springfield avenue, as both were headed south on Madison avenue at 16th street at 7:40 a.m. Wednesday.

Cardwell said he was watching a train while Moore was stopped in the traffic lane waiting for a car to make a left turn.

Driver Arrested
David L. Ernst, 16, of 1777 Olive street, was injured when his southbound auto struck the front of the northbound auto of Gerald S. Hill, St. Louis, at 3:40 p.m. Tuesday at West 20th and Maple streets. Police said Ernst was driving in the wrong lane and arrested him on a charge of careless driving. There was no report of hospital treatment.

Robert Mewer, 21, of 2114 Cleveland blvd., was injured when a car in which he was riding, driven by James Moody, 1529 Sixth street, Madison, collided with an auto driven by Gervin W. Kleager, 2549 Adams street, about 7:40 a.m. Tuesday at 16th street and Grand avenue.

2 DAYS WITHOUT A QUAD-CITY TRAFFIC DEATH

Administrative officer of the Transit Services Corp., told the commissioners. He requested the sum of \$16,800 from the capital improvement fund to convert ten spare transit units to diesel power to provide greater efficiency in service.

The board further authorized disposition of 19 obsolete gasoline-powered vehicles and to expend \$5000 to install a second tail lamp on 500 Bi-State buses, in compliance with a new Missouri state highway directive. Robinson explained that later models than 1955 already have the twin rear lights.

Gateway Arch Project

Col. Smyser said, agency officials are continuing to investigate new types of ticketing equipment to be utilized in the Bi-State operated Gateway Arch railway system. He added that an advanced automatic system presently proving successful in London, Chicago and Long Island appears to be the best. By leasing the equipment, Smyser said, a savings of more than \$20,000 could be anticipated over the manual operation originally proposed.

The agency officer stated that with the installation of the final ten sections of the arch, the interior tracking system will be completed. However, he added, the first capsule car being fabricated by a St. Louis firm will be ready for operation by Oct. 1.

Brasher said there "definitely are some people who should contact us." These include: Those persons 65 years of age or older, or who will be 65 within the next three months and who are not drawing Social Security payments. This applies to all

Maryville Rd. Work Planned For 1967

GC to Enter Agreement
With County; Search
For Plans is Futile

Improvement to Maryville road is slated for 1967, it was announced during Monday night's meeting of the Granite City council when a resolution was placed on first reading setting forth a joint project with the county.

The 1200 feet in the city extending from Ponton road to the north city limits is to cost the city about \$55,000 of its motor fuel tax funds. The county will improve the roadway to four lanes north from the city to old Route 66-40.

Preliminary plans for the city's portion of the work have not been prepared. Mayor J. P. Parney said several searches of the engineer office have been in vain.

It was told by the office of David J. Johnston and Associates that they had been prepared after the project was first proposed in 1962, but we can't find the plans.

Council Authorizes South End Appraisals

Authorization was given Monday night by Granite City council members for an appraiser to be hired to prepare for right-of-way acquisition along Namooki road south of Madison avenue.

The motion was made by Alderman Fry, who said he hoped the south end of the project would not be stalled as long as the north end.

Mayor Parney told the Post-Record today that he still has no reply from Gov. Kerner to a telegram sent two weeks ago and a letter to the state asking for an immediate allocation of \$700,000 state funds for the project north of Madison avenue.

"I can't understand it," Parney said.

locate either the plans or the engineering notes," the mayor added.

High Court Says School Safety Code Excessive

The Illinois Supreme Court ruled Tuesday on the state school fire safety code, upholding a Wabingo county circuit court ruling that State Sup. Ray Page exceeded his authority in setting construction and remodeling requirements.

It was ruled that the state legislature in adopting a code issued by Page, intended that the schools be built to minimum standards, but not to exceed them. Health and safety standards rather than establishing a "standard of excellence" embracing "highest standards of construction."

State legislators this year adopted a modification exempting schools built between 1950 and 1964. Effect of Tuesday's decision on school systems, many of which are nearly through conducting costly remodeling surveys, has not yet been fully evaluated.

To Aid Quad-Cities

Staff members of the East St. Louis district office of the Social Security Administration will be working under Social Security workers when they have proof of their age with them.

Need Age Proof

Widows who are 60 years or older, or within three months of being age 60 should also meet with staff members, provided their husbands worked at least partially under Social Security. These persons should bring with them their marriage license and proof of their age.

Students attending school full-time between the ages of 18 and 22 whose parents are drawing Social Security or whose parent is deceased and was insured under Social Security. Payments can now be made to these students.

Persons, aged 62, even though they are working, if their earnings are less than \$3000 a year, also should meet staff members to get their Social Security payments. They may be entitled to some Social Security payments in the year.

14 Undergo Surgery At Local Hospital

The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Monday:

Sandra Doty, 2733 West 22nd street; Nancy Ellis, 1728 Chestnut street; Lucille Harmon, 1801 Collinsville avenue; Madison; Albert Jackson, 2059 Fourteenth street; Florence Miller, Brookline; Jean Pritchard, 2805 Dale avenue; Maxine Rowe, 1777 Venice avenue.

Thomas Schlatterer sr., Route One; Maggie McKnight, 700 Webster street; Madison; Mary Jean, Cassville; William Wright, 514 Southway; Oral Sewell, 2000 Collinsville avenue; Phelps, 4608 Warnock; Karen Cooper, 1422 Maryville road.

O. J. Jegel, 56, Dies Of Accident Injuries

Orville J. Jegel, 56, of 153 E. High street, Edwardsville, husband of the former Wilma Big-ham Jegel of Granite City, died at 1:15 a.m. yesterday, in St. John's Hospital, Springfield, Ill., of head injuries sustained in a construction accident, Tuesday.

Mr. Jegel was injured when he apparently fell from a truck at a job site, three miles west of Hillsboro, at the intersection of Illinois Routes 16 and 127. He was pronounced an over-time en-

gineer with the Berry Construction Co., of Decatur.

According to the Sangamon county coroner, no one saw the accident and the driver of the truck stated the vehicle was not moving when the incident occurred. The cause of death has not been determined and an autopsy will be held.

A world war II veteran, Mr. Jegel was a member of the International Association of Machinists, Local 313; the Collinsville AF&AM Lodge; and the Edwardsville First Baptist Church.

Besides his wife, he is survived

CD Bus Assigned To Athletic Field

The Granite City auxiliary police bus will continue to be stationed at the entrance to the

Granite City high school athletic field during all home football games this fall, it is announced today by Auxiliary Police Chief John Becker. The vehicle is equipped to handle most emergencies, he said, and all auxiliary police officers are qualified to administer first aid measures.

The bus also is being used as a recruiting station, Becker re-

ported. He added that persons, between the ages of 21-50 years, interested in joining the auxiliary police corps, may obtain applications at the bus, or from the Granite City police department. Completed forms should be re-

turned to the civil defense office, 1411 Nineteenth street, or left at police headquarters, he said.

Auxiliary police recruits are trained by GC police department personnel and their instruction covers most phases of general police duties. About 20 additional recruits are being sought for the new training series.

Legion Post to Hold Member Drive Saturday

Tri-City American Legion Post 113 will hold a membership drive at 1:30 p.m. Saturday at the post home, it was announced by Wilbert Niepert, senior vice-com-

mander. At a meeting Tuesday, Herbert Strickland, adjutant, reported membership at 185 with a goal at 401. Commander Edgar Horton reported that the Illinois Legion won four first places in national competition — senior

Depot Saves Taxpayers \$415,500 in Sewage Cost

The Granite City Army Depot has saved U. S. taxpayers \$415,500 by cooperating with the city of Granite City in construction of a sewage treatment plant to be used by both parties, military officials announced today.

In 1962, the depot had planned to construct a sewage separation and treatment plant at a cost of \$525,000. But after an agreement to locate the city's treatment plant on 14.6 acres of depot property, the depot's project cost was reduced to \$472,000, to connect depot pipe lines with the city plant.

When the city decided not to separate sanitary and storm sewage, the depot's cost was reduced to \$59,000, resulting in a savings

Miss Schroeder In Who's Who

Miss Hilda Schroeder, owner and operator of Holiday Service with offices in Granite City and Edwardsville, is listed in the 1966 edition of Who's Who of American Women.

Miss Schroeder is a daughter of Henry F. Schroeder, 2640 East 24th street, and the late Mrs. Schroeder. She is the only Granite Cityan and one of the few women travel executives listed in this edition of the book.

This is due to her background in the travel agency and transportation business in which she has been engaged since graduating from the Granite City schools and a St. Louis business college.

Zone Change Sought For Johnson Rd. Tract

Referred to the City Plan Commission by Granite City council members Monday night was a zoning change request for construction of duplex homes and four-family apartments on a 2.62-acre tract on the north side of Johnson road east of the storm water drainage ditch.

The tract also is bounded by Clark avenue and the Mercer drive area. The change from R-1 single-family dwelling to R-4 for duplexes and apartments was requested by James Henderson of the Lueders Agency for a St. Louis firm. The property is now owned by Mrs. Elizabeth Gazo.

It is on display in the Granite City offices of Holiday Service on Edison avenue.

BIRTHDAY OBSERVANCE

Mr. and Mrs. Nick Kosick celebrated a joint birthday Sunday with a family dinner at their residence, 1728 Chestnut street. The honorees received a large decorated birthday cake and many gifts. Their grandchildren sang "Happy Birthday" to them. Those present included Miss Julia Lotzy, Mrs. Mary Ann Domitrovich and children, Terry, Kathi, Julianne and Judane. Mrs. Kosick, Mrs. Sophie Bero, Mrs. Mary Gages and Mrs. Wal-lis Suics.

WASHINGTON CUB PACK PLANS HALLOWEEN PARTY
Cub Scouts of Pack 18 sponsored by Washington school, held a monthly pack meeting Monday evening at Washington school. Cubmaster George Birdson, assisted by Oliver Gilmore, called the meeting to order.

Plans were made for a Halloween party in October. Each one will make his own costume. Each cub who brings in a new member will receive a recruiter badge.

Awards were presented by Birdson. After the meeting, the boys played games and enjoyed refreshments.

Cub Den Five met this week at the home of the den mother, Mrs. Tammie Hufford, 1933 Miracle street. The den opened their session with a discussion of arrow points and badges.

Refreshments were served by Mrs. Hufford. The living circle closed the meeting, which was followed by games. Cubs present included Teddy Domitrovich, Michael Cook, Woody Lovachev and Lynn Hufford.

The Blue Jays girls' club met Tuesday evening at the community center, 844 Niedringhaus avenue. Officers elected were: president, Marvieve Moshe; vice-president, Kathi Domitrovich; secretary, Kathy Ernest; treasurer, Lisa Gracey; and sergeant-at-arms, Serita Garcia.

The members discussed future plans, including parties, and rules were made and discussed. The girls will hold weekly meetings on Monday from 4 to 5 p.m.

HONORED AT SHOWER
On Sunday afternoon, a cradle shower honoring Mrs. Ade Dineff was given at the Hungarian Home by Mesdames Nadine Smotherman, Walla Szucs, Mary Gages, Ruphine Nelson and Mary Lou Summers.

The many gifts were arranged on a table centered with a bassinet skirted with white tulle and accented by miniature bows of pink and blue ribbon. Favors were tiny, candy-filled diapers.

After games were played and prizes were awarded, a buffet luncheon was served from a large punch bowl to the honoree and her mother and mother-in-law. Homicide Verdict Returned by Jury At Inquest Here

A coroner's jury returned a verdict of homicide by a person or persons unknown in the local death of Mrs. Jessaded Daech, 39, of Alton. The inquest was conducted Monday night by Dr. W. W. Billings, county coroner, at the Mercer Funeral Home.

The jury determined that death was caused by lethal amounts of methyl (wood) alcohol and chloroform in the blood stream and body which also contained drugs, based on an autopsy report submitted by the coroner.

Mrs. Daech, divorced mother of three children, was found dead in bed on the afternoon of Aug. 23 in her apartment, 2317 Delmar avenue, where she had resided for two weeks.

Dr. Billings suggested in numerous questions that Mrs. Daech was given more than enough wood alcohol mixed in coffee to cause death, and that chloroform was applied to her nose and mouth afterwards. He said the wood alcohol would be tasteless in coffee.

Laboratory Tests
He told the jury that laboratory tests showed that the body contained dolphine, a tranquilizing drug, and a barbiturate.

Mrs. Daech's mother, Mrs. Mayet Chontoleff of Alton, testified that she was called to her home on the afternoon of Aug. 23, and found her daughter in bed, apparently dead. She said she had washed them and a coffee pot.

Patrolman Dusan Gajich and Ervin Keuenhoff and Deputy Coroner Robert Thomas testified that they did not recall seeing coffee cups, a coffee pot, or any other evidence which would lead to anything but death due to natural causes when they investigated the death report. They did find five pills which were analyzed later as dolphine and enoval.

The apartment had been rented to Fred Milligan of near East Alton, but Patrolman Samuel Avedisian, owner of the building, said he was under the impression that Milligan was the occupant and that he was on vacation at the time and had never seen Mrs. Daech while she was alive.

Refuses to Testify
Milligan, described as Mrs. Daech's boy friend, refused to testify on the advice of an attorney who accompanied him to the inquest.

Mrs. Daech's actions the previous day, Sunday, were traced during the three-hour inquest. Two roomers in the same building, Arthur Grissman, employed by Schermer's market, and John Denton, a laborer at the Granite City Army Depot, said they saw her in the evening on the porch, and that she complained of not feeling well and that she had had an argument over a fishing trip. It later was determined that Milligan had been fishing that weekend in Kentucky and had refused to take her.

Her ex-husband, Harold Daech, said she had visited him and her children, whom he had adopted while they were married, on Sunday morning and that she was in good spirits, with hopes of obtaining a job as a waitress at a restaurant near Sunset Hill. He said she took some white uniforms with her.

Witness Faints
Daech, who fainted momentarily on the witness chair, said his wife had talked about suicide on several occasions, usually when she was intoxicated, but that it would be forgotten the next day.

Mrs. Zeda Bloodworth of Alton, an unemployed practical nurse who described herself as a friend of Mrs. Daech, testified that Mrs. Daech told her of threats by Milligan if he ever saw her with another man.

The two women had been drinking beer at an Alton tavern Sunday afternoon. Mrs. Bloodworth continued, and quoted the victim as saying she would no longer see Milligan, that she was through with him. She said Mrs. Daech contacted Milligan on the phone and was given an hour to return to her apartment in Granite City.

Before refusing to testify, Milligan said he saw Mrs. Daech at the apartment at 8 p.m. and noticed that she had been drinking. He carried a fishing tackle box.

After reviewing the autopsy and clinical reports, Dr. Billings in brief instruction, told the jury that it had two possible verdicts—death by wood alcohol, chloroform and drug poisoning by a party or parties unknown, or by a known party with recommendations that he be bound over to the next grand jury on a homicide charge and be held without bond.

NATIONWIDE BUSINESS of Bill Nichols' Net & Twine Co. on Bend road has necessitated purchase of this airplane, which Nichols (center) pilots. He is shown with S. W. Sisk (left) and Charles A. Meyer.

Net, Twine Business Stretching Nationwide

The net and twine business involves string and rope of small circumference.

It has taken on large dimensions in terms of the travel by its owner and operator, Bill Nichols, who reports that his Bend road firm now has sales in all 50 states.

Nichols' tours in the company's 1964 Cessna Skyhawk four-cylinder, a coffee pot, or any other evidence which would lead to anything but death due to natural causes when they investigated the death report. They did find five pills which were analyzed later as dolphine and enoval.

Outdoor Activities Injure Quad-Cityans

Fine weather combined with outdoor sports Monday to produce a rash of mishaps to local youths, who required treatment in the emergency room at St. Elizabeth Hospital. All underwent x-ray and were released.

Five were injured playing football either at home or on school grounds. They included Lawrence Cox, 11, son of Mr. and Mrs. Arthur Cox, 2509 North street, who sustained a fractured left clavicle; John Ashburn, 12, son of Mr. and Mrs. Wayne Ashburn, 202 Warsaw lane, who had two sutures taken in his left cheek.

Scott Seago, 10, son of Mr. and Mrs. William Seago, 2504 Sheridan avenue, who injured his left foot; Tim Wallace, 13, son of Mr. and Mrs. James Wallace, 2715 Iowa street, who hurt his right knee; and Danny Modglin, 10, son of Mr. and Mrs. Henry Modglin, 4504 Warren street, who was kicked in the nose while playing soccer.

Two youths injured during PE classes were Joe Berkbigler, 12, son of Mr. and Mrs. Harry Berkbigler, 3248 Rodgers avenue, who had a cast applied to his left arm, and Tom Mikes, 15, son of Mr. and Mrs. John S. Mikes, 3165 Myrtle avenue, whose right arm was injured.

Others given treatment included Dale Johnson, 3, son of Mr. and Mrs. Bobby Johnson, 2239 Namek row, who injured his foot; James Edwards, 3, son of Mr. and Mrs. James Edwards, of Rural Route One, who sustained a cut on his left thumb; and Lillian Garris, 9, daughter of Mr. and Mrs. James Garris, Rural Route One, who incurred a back abrasion when she was bitten by a stray dog.

'Controversy 65' Series Starts Tuesday
The Current Events committee of Southern Illinois University Southern Campus University Center board will launch its "Controversy 65" convocation series with a talk next Tuesday by Dr. Leo Green, Alton physician.

Title of Dr. Green's talk will be "Insights into the John Birch Society," and it will be given at 8 p.m. in the auditorium of SIU-SW's Lovejoy Library.

The public is invited to hear the discussion by Green, section leader of this area's John Birch Society.

Madison's Trojans Set to Bounce Back Against Sparta

Coach Glen Pickering's Trojans face a tough challenge Friday night as they try to bounce back from two defeats when they meet Sparta on Madison turf.

The Trojans dropped their opener to Edwardsville 20-0 and lost last week to Granite City, 26-13. Both opposing teams are members of the larger-enrollment Southwestern Conference.

"We'll be alternating quarterbacks again, like we did last week," Pickering said. Against the Warriors, Madison started junior Steve Shipoff and substituted senior signal-caller Steve Geroff.

"The way it looks now, Geroff will get the starting nod," the Trojan mentor said. Geroff was named by Pickering as the Back of the Week.

The only other change in Madison's starting lineup will be at the center spot. Sophomore Skip Titus, 165 pounds, will replace the injured Bert Armour.

Armour, also a sophomore, severely injured his knee in last Friday night's action, and will not be able to play this week.

Sparta Strong, Experienced

"Our scouts tell us that Sparta has a strong, experienced team this year," Pickering said. "They've got lots of size in the tackle spots, with four boys over 250, and a better than average quarterback in Steve Morganthaler," he said.

"One of their favorite plays is off the tackles, where they use the size of the big boys for sheer power," he added.

Meanwhile, in the Sparta

camp, new head football coach Roger Waldrup feels that he lacks the all-around experience to stop Madison.

"I don't know very much about Madison's team, but it sounds

By Press-Record Staff Photographer
ART NEIDHARDT

like they have a fairly good team this year," Waldrup said.

Split Offense

"Our offense is of the split-type. There are no big guns in the backfield; we just count on all four, no one in particular," he said.

Sparta, after playing two games, holds a record of 1-1. They downed Benton 7-6 in the opening tilt and then tied DuQuoin last week, 13-13.

Although the Bulldogs' starting lineup seems relatively small, coach Waldrup will probably make good use on the size of his big tackles at times during the game. "We've got a lot of boys with determination and a strong desire to play football, but most of all, they have the will to win," Waldrup said.

The desire may be the equalizer for the lack of experience.

2-7 Record in 1964

Over the past two years, the Bulldogs hold a 5-12-1 record. Last year, they were 2-7 on the season.

"Against DuQuoin, we seemed unsure of our offense, but I think we'll be in shape for the game," Waldrup noted.

With less than 40 boys out for football in the school, Sparta seems tough, but lacks the necessary speed and depth. With Madison in the hole, 0-2, the Trojans hope to take this one.

Defense Key to GC Jayvee 7-0 Win Over CBC

Granite City high jayvees held the opposition scoreless in their second successive outing, beating CBC (St. Louis) team by a score of 7-0 there Monday afternoon.

The little Warriors shut out Assumption 20-0 in their first game last week.

Keith Gauert scored the lone touchdown for Granite City Monday when he took a Steve Conway pass and went 30 yards in the second quarter. Jim Rains kicked the extra point, with Rich Paoli holding.

Offensive standout for Granite City was Rich Kozial, who picked up 83 yards on the ground. This was good enough for coach Tom Wyrostek to single him out as the outstanding player of the game.

"The whole defense played extremely well, especially defensive halfback Ron Turner," said Wyrostek. Turner made a game-saving tackle on a CBC halfback when the runner broke into the open on an end sweep during the third quarter of play.

Dan Partney, the jayvees' punter, got off booming kicks of 45 and 66 yards in the game.

DAVID AND GOLIATH (S). Weighing an average of over 250 pounds, these four Collinsville football players dwarf 130-pound Don Cox. Left to right, they are: Bob Oldani, 250; Gary Lipe, 260; Doug Smith, 285; and Art Capstick, 215. The four will see action at Granite City Friday night.

Venice Downs Aviston 13-2; Record Now 5-0

Venice high's baseball team stretched its winning streak to five games as it downed Aviston 13-2 in a conference game last night at Venice.

The game, which was postponed previously, was played in the regularly scheduled Fairview (Jennings, Mo.) game. Tuesday's game at Warden was postponed due to wet grounds.

Coach Bill Olendorf's nine scored six runs in the first, added another in the fourth and six more in the fifth. The game was called at the end of five innings due to the 10-run lead rule.

Venice Pitcher John Gardner allowed only four hits and helped his own cause with a timely single in the big first inning.

Ed Harper singled, stole second base and moved to third on a fielder's choice. Lou Gonterman singled, driving home Harper, and also stole second.

Terry Cooper, the third Venice batter to single and steal second base, drove in Gonterman. After Charles Smith singled and drove in Cooper, the Aviston pitcher walked two batters to load the bases. Gardner then

connected for a single and three big RBIs.

In the bottom of the fifth, Harper hit a home run with nobody on, and Greg Puente followed with a single. Gonterman forced Puente at second, and Cooper walked. Jim Miller forced Gonterman at third, Cooper and Miller advanced to second and third on a wild pitch, and Richard Essington tripled for two RBIs.

Aviston 002 00-2 4 1
Venice 009 16-12 15 2
Winning pitcher—Gardner (1-0); losing pitcher—Imming; Faulke relieved in the fifth.

Injuries Hit Warriors; Host to Heavier Kahoks

"This one is a 'must' game for us," said Jim Morrison, football coach at Granite City high, in reference to the Warriors, Southwestern Conference clash with Collinsville Friday night in Granite City.

"We've got to turn a corner sometime, and this is the time and place to do it," he said. The Warriors, after dropping their first game of the season, managed to beat Madison 26-13 last week.

"The Warriors will be mentally 'up' for the game, but there is some doubt as to their physical condition. Five starters, four defensive and one offensive, and the injured list and may not play at all tomorrow night.

Ed Brokaw, a senior defensive guard, is suffering from a wrist injury and may not start. Brokaw was named as one of the outstanding defensive players of last week for Granite City.

"If Brokaw does not start, we'll replace him with Miner," Morrison said. Miner, a 220-pound transfer from Wood River, saw action at a defensive end last week.

Two Captains Ailing

Terry Yates, a defensive line-man who broke his nose in last week's game, will more than likely be unable to play. But the big blow to the Warriors could be the loss of two of their defensive halfbacks, Len Revelle and Rick Turner.

Revelle, a 175-pound tri-captain, is still hampered by a badly sprained ankle, and Turner, also a tri-captain and offensive halfback, is plagued with the same injury. Turner sprained his ankle in practice this week.

"Revelle and Turner may be missing from our defensive back-

field," said Morrison, "but we feel that there are some other boys who will be able to fill in for them." Last week, Revelle, although bothered by his ankle, Collinsville Friday night in Granite City.

The other doubtful starter is Tom Barnett, a defensive end. "I was pleased with the way things went in practice this week," Morrison said. "We managed to eliminate some of our mistakes and now we are starting to look good."

In the earlier games, especially their first one, the Warriors made noticeable mistakes, fumbled and missed many blocking assignments.

"Our offense may be different. We plan a few surprises for Collinsville this time. After all, this is a 'must' game, and how else do you win a ballgame other than on offense?"

Heavy Kahok Line

With possibly five defensive players missing, the Warriors have an added problem. The front wall of the Kahoks has a potential average weight of over 220 pounds.

Bob Oldani, 250, Gary Lipe, 260, Doug Smith, 285, and Art Capstick, 215, help form that massive wall.

"Our line is big and tough, but lacks experience," commented Virgil Fletcher, Collinsville head coach.

"We're starting all over this year. We only have one boy who was a regular player last year," Fletcher said.

"We're a green ball club and, Morrison being a good coach, he'll have a spirited team that's well prepared out there," Fletcher said.

What about the Kahoks' offense? Well, Morrison thinks that "they'll show us a lot of sweeps, good wide-open ball with some fancy plays thrown in. Basically, it is the same as in the past years."

Wide-open, fancy or not, the Warriors may find they need more polish on the pigskin before they tackle heavier Collinsville, especially with four defensive starters doubtful.

Jim Stephens Sets New 1.8 Mile Record

Granite City's Jim Stephens set a new course record in the Warriors' 23-33 cross country win over Collinsville Tuesday.

Stephens, taking first place in the dual meet, ran the 1.8-mile distance in a record time of 10:19. Gus Schalkham led a parade of four other Granite City runners across the finish line. He finished fourth with a time of 10:33. In fifth place was Mike Forcace, 10:35; sixth, Dave Lomax, 10:40; and seventh, Joe Pashea, 10:44.

"Our variety is coming along a little bit at a time," said Harrier coach Dick Harmon. "At this point in the season you don't notice a great improvement, but every little bit helps."

In the jayvee meet with Collinsville, the little Warriors lost by a narrow 28-28 margin. "Carl McDowell came in first for us in that meet," Harmon said. "We feel that he is coming along extremely well," he added. McDowell's time was 11:08.

Fourth went to Mike Kawula, 11:36; seventh, Gary Oxford, 11:49; eighth, John Brown, 11:59; and ninth, Bob Alford, 12:04.

The varsity's victory leaves it with a 3-2 record before it meets Edwardsville tonight. The jayvees now own a 1-4 mark.

Fullback Rendell, Quarterback Geroff 'Players of the Week'

Steve Geroff and Alton Rendell were singled out by Madison's coach Glen Pickering this week as the outstanding "Back of the Week" and the "Linebacker of the Week."

Geroff, a 190-pound quarterback, was praised for his passing in last Friday's Granite City game. The junior signal-caller threw one touchdown pass and "had several that were right on the money," said Pickering.

"We alternate our quarterbacks, and Steve went in to relieve (Steve) Shipoff during the game, and did real well with his passing. In fact, he did so well that we'll probably give him the starting assignment this week," Pickering added.

Fullback Joins Line

The "Linebacker of the Week" award was presented to Alton Rendell, a 200-pounder and normally a fullback, who

started at the right end spot on the offensive team and "his defensive play was outstanding," Pickering said.

"On offense, he ran hit patterns well, and helped us with blocking on the end sweeps," he added.

Rendell, a senior, will start in his regular fullback position against Sparta this Friday night.

Mike Rousseau Joins Valpo Football Team

Mike Rousseau, a standout line man on the GHS Fighting Warriors' 1963 squad, has been named a regular on the Valparaiso University varsity football team.

Rousseau, 6'3" and 220 pounds, has nailed down the offensive center spot for the Crusaders, the same position he played at Granite City under head coach Jim Morrison. He was a freshman numeral winner at Valparaiso, Ind., last year.

Hohl Agency Expansion Given Recognition

The B. E. Hohl agency of Granite City is among forty agencies in the St. Louis sales district with major expansions. A. L. Whiteman, district sales manager, reported.

Dealers in the district will spend more than \$2.1 million in new facilities and an additional \$18,000 will be spent to modernize or add to present facilities in the same period, he said. Hohl has added a two-deck auto storage building, as well as revamping the service department.

GO TO CHURCH SUNDAY

Parked Car Hit by Truck

A car parked at the YMCA, 20th street and Edison avenue, owned by David A. Walker, 904 Twenty-fourth street, was struck in the left rear by a hit-and-run truck identified to police as being owned by the D. H. Amers Trucking & Excavating Co., Cordova, Ill., which headed toward West Granite at 5:40 p.m. Tuesday. The driver was unknown, and police were unable to locate the truck.

Auto Stops, Struck

A car driven by Teddy M. Lane, 1629 Ferguson avenue, struck the left rear of a car driven by Linda Nelson, 4416 Nameoki road, who was stopped in the traffic lane on Johnson road waiting to turn left onto the Belleme Village Shopping Center lot. Lane was charged with careless driving.

ONE OF THE NEW PLYMOUTH models that went on display today at Elledge Motor Co. and Maddox Motors, Inc., Granite City Plymouth dealers. Both agencies are displaying all five new Plymouth offerings in the 1966 line.

R. H. Cantwell Amsted Sales Vice-President

Robert H. Cantwell, Chicago, has been named vice-president of sales for American Steel Foundries, operating unit of Amsted, which has a plant in Granite City.

The appointment is effective Friday, it was announced by William C. Taylor, ASF's vice-president of marketing. Cantwell, formerly general manager of sales, will be headquartered in the company's Chicago office and will be responsible for sales of locomotive, transit and industrial products.

Taylor also announced the appointment of the following sales managers—George W. Barrus, automotive products; William E. Booth, mining and construction products; and E. P. Thomas, industrial and locomotive products. L. W. Burkett was named products manager of brakes.

Hire the Handicapped Week to be Observed

National Employ the Handicapped Week is being observed in the Quad-Cities next week, and residents are being asked to support employment of handicapped workers here.

The observance offers a 273 V-8 engine and 3-speed manual transmission. The interior is highlighted by shell-type bucket seats. There are 18 new Belvedere models to choose from in 17 solid colors and 18 color combinations and optional motor sections ranging from the 225 '66' to the Commando 383 V-8.

The Valiant line includes a two-door convertible or two-door hardtop equipped with such options as the Commando 273 engine, front wheel disc brakes, Blue Streak racing tires and heavy duty suspension. The Valiant line also includes station wagons.

The Barracuda this year features a new die-cast grill adding a distinctive style to match the sweeping fastback rear. Shell-type bucket seats are standard up front and caliper type disc brakes are optional for front wheels.

Wiring Causes Fire
Firemen were called to the home of Philip C. Spencer, 3338 Cardinal avenue, at 4:10 a.m. Tuesday as faulty electrical wiring caused a fire. No damage estimate was listed.

Mrs. Jackson was graduated from Granite City high school last June. Her poster and another entered by Debra Kingsley, 13, of 4105 Kasberg lane, a Coolidge junior high school student, will be among those on display in a Chicago office.

Divided Nation
Macedonian people speak Bulgarian, and their country is now divided between Greece, Bulgaria and Yugoslavia. It was explained. The mountainous terrain includes much scenic beauty, attracting resort visitors, but churchgoing is discouraged and food and housing are scarce in the Communist countries. Flowers abound, streams are pure and there is no litter on streets.

The Oct. 25 program will be given by a local family currently overseas. The May meeting each year is to be a dinner. Officers and directors are William F. Winter, Press-Record editor; M. B. S. Alice Purdes, Venice school vocal music director; Harry R. Johnson, retired Madison postmaster; Walter Klein, Prather junior high school principal; Mrs. Barbara Thoeke, Chain of Rocks Motel owner; and Ernest Rockland, Kelly Tar & Chemical Corp. sales engineer.

Services Held Tuesday
For Earl O. Worley
Funeral services were conducted in Granite City Tuesday for Earl O. Worley, 66, of Clearwater, Fla., a former longtime local resident, who died in a Clearwater hospital, Friday.

A retired conductor on the Chicago and Eastern Railroad, Mr. Worley had moved to Florida about seven years ago. He is survived by his wife, Mrs. Jane Worley.

Annual Hair Fashion Queen Contest Planned

Plans were made by the Hair Fashion Committee of the Elledge Hairdressers Monday night for "Holiday Headlines," the National Beauty Salon Week queen contest to be held Sunday, Nov. 7, at the Elks lodge. Earl Parsons, committee chairman, was host at 1539 St. Clair avenue.

Bylaws were reviewed and amended, and it was decided to issue a "beauty bulletin" to area salons. New members present were Stanley Coleman, Mrs. Julie Dant and Mrs. Pat Dickey, and others attending were Mr. and Mrs. Earl Tucker and Mesdames Margaret Barzoff, Judy Broshaw, Jean Harris, Mary Batson, Brenda Margulen, Sara Dutko and Kay Jeff. Elite Hairdressers are inviting all local beauty shop operators to their next meeting at 7:30 p.m. Monday at the Rose Bowl. Guest artist will be Danny Zicha, LaGrange, Ill., a permanent Illinois Hair Fashions member.

Two GC Dealers Display 1966 Plymouth Models

Five new models of Plymouth made their debut for public inspection today at two Granite City motor companies, Elledge Motor Co., 18th street and Grand avenue, and Maddox Motors, Inc., 4100 Nameoki road. Operators of both firms said they will display all of the new models.

New Plymouth models include the VIP, Fury, Belvedere, Valiant and Barracuda, offering a variety of optional luxury equipment features as well as improved standard operating features. The VIP, for example, offers recessed poldown armrests, padded instrument panel, a pair of reading lamps with independent switches and a 318 V-8 engine with an optional 4-speed manual or 3-speed automatic transmission.

The new 1966 Sport Fury has the 318 engine as standard equipment with an all-new vertically gated gear shifting mechanism available with the optional automatic transmission. Tiltin-telescoping steering wheel and front

wheel-climber-type disc brakes are other features. This model also offers an optional 440 Commando motor.

Station wagons also come in the Fury line in two or three seat styles.

The beaverette offers a 273 V-8 engine and 3-speed manual transmission. The interior is highlighted by shell-type bucket seats. There are 18 new Belvedere models to choose from in 17 solid colors and 18 color combinations and optional motor sections ranging from the 225 '66' to the Commando 383 V-8.

Niedringhaus PTA Opens Season

The first regular meeting of the Niedringhaus school PTA was held Tuesday evening in the school gym.

Rev. Paul Surbey offered prayer and Boy Scout Troop 12, directed by Fred Hacke, presented the colors and led the flag pledge.

Mrs. Arnold Fleishman, president, introduced the members of the executive committee, including Mrs. Thomas McRaven, first vice-president; Mrs. James Craig, second vice-president; Mrs. John Adams, third vice-president; and Mrs. Lawrence Lockhart, secretary; and announced that Richard Elders, who was to have served as treasurer had been transferred. The membership elected Mrs. Sharon Kline to the office.

Reports were given and Gerald Bushue introduced a panel whose members gave information on various aspects of teaching. Taking part were the following teachers: Mrs. Edna Lynn, Mrs. Joyce Albers, Miss Louise Dextheimer, Mrs. Gwendolyn Berry, Mrs. Gladys Schubert and George Amisch.

Mrs. Lockhart, chairman of the Blue Protection program, introduced the guest speaker, Detective Joseph Nemeth, who discussed the block program and its relation to the police department.

Refreshments were served by the sixth grade mothers.

The Mitchell PTA sponsored a welcoming reception for kindergarten parents and new parents in the community Monday evening at the school.

Mrs. Joyce Carper and Mrs. Barbara Theelke, hospitality chairmen, were in charge. An autumn theme was used in decorations.

The parents were welcomed by Harold Eugene Briggs, principal. The guests identified themselves, the parents giving the number of children they have attending school and the present grade level.

A mystery game was played to allow all to become acquainted, with the prize going to the person talking to the mystery guest at the end of a time limit. The prize was won by Mrs. Loydene Davis, primary teacher.

The evening's prize was won by Mrs. Jean Thornton. Refreshments were served by the hospitality committee.

No Parking Violations
Cars owned by Richard and Dorothy Renald, 1820 Spring avenue, Harold L. Coy, 2017 Marshall avenue, and Billy W. Watkins, 1225 Edwardsville road, were ticketed by police at 7:45 p.m. Wednesday for parking in a no-parking zone on Madison avenue at St. Elizabeth Hospital.

Shower Honors Miss Dallas
Miss Janet Dallas, who will be married Saturday to Patrick Doyle, was guest of honor at a buffet supper and surprise bridal shower last night given by the women employees of the purchasing department of the Granite City Steel Co. The party was in the home of Mrs. William McMurry, 2003 Garfield avenue.

Decorations of yellow and white were used in the appointments and favors and above the buffet table in the family room was suspended a large yellow heart with the names of the bride and groom-to-be in silver. Those attending were Misses Norma Jean Pregel, Sharon Wright, Sara Jane Emrich, Patricia McMurry, the honoree and Mesdames Louise Lakin, Helen Redfern, Marilyn Griffith, Diane Zarlingo, Evelyn Clinton, Doris Hays, Ruth Schneider, Elsie Elberidge and the hostess.

Prizes in the games went to Mrs. Redfern, Miss Wright and Miss Emrich.

Anchorage Group Completes Project
The Anchorage Senior Citizens met Wednesday at the recreation hall and completed their project, the making of ditty bags for servicemen. Altogether 170 bags were made by the ladies. Refreshments were served to 22 and plans were made for entertainment by "The Two Timers," a musical group, at 5 p.m. Sunday. Also on the agenda of coming events is a business meeting at 2 p.m. Oct. 6. Mrs. Charles Motts, president, will be in charge.

WEDDING CEREMONY AT PASTOR'S HOME
The remarriage of Mrs. Janet C. Hall, a daughter of Mr. and Mrs. Claude Harris, 207 Myrtle avenue, and Larry D. Hall, son of Mr. and Mrs. Raymond Aubuchon, 3135 Willow avenue, is announced.

The ceremony was performed Sept. 25 by Rev. Kenneth Reeves, pastor of the United Pentecostal Church, at his home.

MRS. POPILCHAK IS CLASS HOSTESS
The home of Mrs. Mildred Popilchak, 2341 Orville avenue, was the place of meeting Tuesday evening for the Lydia Class of Third Baptist Church.

Mrs. Vera Kirkpatrick presided and devotions were led by Mrs. Juanita Brown, teacher. Others present were Mesdames Betty Smallie, Eileen Fitzgerald, Gay Hannah and Marie Johnson.

MR. AND MRS. ARTHUR E. OBERLE, who were married recently at Sacred Heart Catholic Church. A daughter of Mr. and Mrs. Samuel E. Moody, 2332 Cardinal avenue, the bride is the former Janet Harris.

Prather PTA Holds Meeting

The Prather junior high school PTA met Tuesday evening at the school with Mrs. Geneva Paul, president, in charge.

The regular business of the group was conducted, following the opening prayer by Mrs. Ida Hanfelder, PTA district director. Principal Walter Klein introduced the faculty members.

Mrs. Polly Tindall was elected secretary to fill an unexpired term and refreshments were served by the Executive committee to about 50 members.

VACATIONISTS RETURN
Mr. and Mrs. William L. Rhoades and their daughter, Hazel, 2819 Madison avenue, have returned from a vacation in New York where they visited the World's Fair. Enroute they were overnight guests in Lexington, Ky., of Rev. W. Roscoe Russell, a former pastor of First Assembly of God Church here. They returned by way of Marion, O., where they visited Rev. Nola West and her mother for a brief time. Rev. West is a former pastor of Tri-City Park Tabernacle.

Sidewalk Troubles--Lawsuits, Mud--Bring New GC Law

Sidewalk problems were a major topic throughout a three-hour session and a pre-session backroom meeting of the Granite City council Monday night.

The backroom meeting was with City Atty. Allen and Assistant Atty. Konzen to discuss lawsuits pending against the city because of sidewalk falls.

Major action taken by the council was adoption of an ordinance requiring a written notice to the city in advance of any holes or defects in sidewalks, curbs or streets.

Mayor Partney explained that in order for anyone to obtain a judgment or settlement resulting from a lawsuit or claim because of injuries suffered in a fall, there must be proof of negligence.

Responsibility for the written notice falls not only on city officials but also individual citizens who might notice hazardous conditions.

Cooperation of citizens is sought in order that repairs may be made quickly. "These judgments and settlements come out of the taxpayers' pocket," Partney added.

Emergency Provision
As a result of the pre-meeting conference, the council followed the recommendation of Atty. Allen in paying a \$96 medical bill for Mrs. Mary Clafelter, 2621 Center street, who reported to the city that she was injured Oct. 5, 1964, in a fall in the 2600 block of Center street where she said the sidewalk was uneven because of tree roots.

Alderman Partney pointed out that individual householders planting trees between the sidewalk and curb must get permission from the city on the type of tree.

"That's the only way we can exercise control to prohibit trees that would damage sidewalks," Partney said.

Questions Clean Up
Alderman Whitmer questioned the advisability of assigning a street department crew to alley clean up when the crew could be repairing sidewalks.

Whitmer added that in his ward, he saw that it was the responsibility of the property owners to keep alleys clean.

He suggested the city inspectors follow the policy of former inspector John Kleinschmidt in going through alleys regularly and issuing complaints against property owners that are cluttering alleys. Instead of walking a Kleinschmidt did, Whitmer said the inspectors could use city vehicles.

Use of the crew to repair sidewalks might reduce injury claims against the city, Whitmer said.

No change in the alley clean project was made by the council.

GC Rotary Plans To Boost Attendance

How to stimulate attendance at weekly luncheon meetings was the major topic for Granite City Rotarians during a Club Assembly Day meeting Tuesday in the YMCA. Fifty-three of the 59 members were present.

Past and future activities of the local service club were reviewed and reports were presented by Vincent Bischoff and Albert Froelich.

Rotary president William Hoebecke, who was in charge, announced that a program summary will be prepared from the committee reports. He added that weekly attendance averaged about 82 to 95.

Major Partney pointed out the alley clean up was part of a general program, which has included painting parking meter posts, getting Illinois Power Co. to paint white way standards and the arrangement for the water company to paint fire hydrants.

Nobody Knows
Alderman Dallas said he had found in the First Ward that it was difficult to determine who was putting debris in the alleys.

"Everyone claims these piles of ashes or tin cans just appeared overnight," Dallas remarked.

The mayor was criticized by Alderman Boyd, chairman of the Sanitation committee, for starting the alley clean up without advance announcement to the council.

Use of the crew to repair sidewalks might reduce injury claims against the city, Whitmer said.

City Seeks Bids On 2-Way Radios, Service Contract

Bid calls for a two-way radio system for the fire department for servicing all radio equipment owned by the city, for a switchboard-information booth in the second floor lobby of the city hall and for six 12-inch electric clocks in the city hall were authorized Monday night by Granite City council members.

Six fire vehicles are to be equipped with two-way radios and three transmitters are to be purchased for the fire houses. Added to the radio bid will be two radios for two new police motorcycles being purchased. An estimate of \$2500 for the two radios was received by the Police committee.

Alderman Partney suggested the bid call for radio servicing, pointing out the city paid \$3800 last year for radio parts and repairs in addition to a \$2100 salary for the radio repairman.

Bids are to be sought a third time to relocate the switchboard from the mayor's office to the second floor lobby where it also will serve as an information booth.

Award of the contract for building a snorkel-type fire truck for the fire department was questioned. A meeting is to be arranged as soon as possible with Granite City Steel Co. officials, since the firm is giving the truck to the city in exchange for streets in the behind-the-mill area where the firm is building its new basic oxygen furnaces.

A bid of \$102 from Able Auto

A meeting of city officials and officers of Cement Workers Local 90 is to be arranged at the request of the union, whose agent, Norman Hayes informed the council there was concern over the amount of sidewalk replacement being carried out by the street department.

The agent pointed out the union and city had agreed the city was to do the lesser amount of the work, but that in recent years the union believes the city is doing more work than private contractors. The letter was referred to the Street committee and street superintendent.

The committee and superintendent also were asked to look into dirt covered sidewalks in the 1200 and 1300 blocks of Edwardsville road and have them cleared and to search in the 2500 block of Prosser street to determine if there is a mud-covered sidewalk there.

Free Storage for Salt
Street Committee Chairman Sternberg reported that Ardresel Dairy had offered free storage space for the city's supply of winter salt in sheds next to the city garage. The firm recently purchased the property at the southeast corner of 19th and Adams streets from Harry Harman.

Sternberg also presented engineering rates for special projects requested by the city from its motor fuel tax engineer. The firm of Research, Planning & Design will provide the services with hourly charges of \$11.50 for the principal engineer, \$10 for the design, \$5 for draftsman and sites, \$5.50 for inspection, \$3.75 for secretarial work and \$125 per day for survey teams. The contract had been authorized several weeks ago.

Still No City Engineer
Alderman Thompson, Personnel committee chairman, reported no success in hiring a city engineer. Advertisements were placed last week for the position.

Sternberg recommended the city specify a plastic material be used at sewer line pipe joints for all future construction, and he recommended the council review and update the city plumbing code in the near future.

Approved was a bill of \$350 submitted by Andrew Gasparovic III for appraisals along Pontoon road in connection with the Nameoki road widening project.

Parked Car Struck
A car owned by John Beason, 2627 Washington avenue, was struck in the rear by a hit-and-run blue pickup truck while it was parked in front of his home at 7:40 p.m. Tuesday. The truck left in a northerly direction. A witness said the truck had damaged to the front and advertising on the side.

Body shop for repairs to a police car damaged in an accident was accepted. Other bids were \$103 by Andy & Johnny's and \$105 by Snelson Auto Body shop.

Prices are to be obtained from at least two plumbers for repairs to plumbing in the men's washroom on the first floor of the city hall. Mayor Partney said he had ordered emergency repairs to plumbing in a women's washroom in the city hall.

Rev. Jackaya, born of Christian parents who were converts from Hinduism, currently is attending Concordia Seminary, St. Louis, on an exchange teaching-study program sponsored by the Lutheran Church-Missouri synod.

He arrived in June and will remain until next summer.

Power Towers To Be Relocated For Street Work

An agreement with Union Electric Co. for relocation of high tension line towers along the McCambridge avenue (Main street) improvement project was approved Monday night by the city council.

The work is to be carried out by the utility in advance of the start of the roadway improvement next year under a joint motor fuel tax arrangement with the city of Madison.

The improvement will be north of the Edwardsville road intersection. Relocation of several steel towers will cost Granite City nearly \$6000 of its MIT funds.

Authorized by the council was purchase of two dump trucks for the street department from Farrington Motors, Inc., on its low bid of \$6278.

Games were played and prizes were awarded to Mrs. Marge Purcell of Madison, Mrs. Rae Ritz of Collinsville and Mrs. Dorothy Copeland of Granite City.

A luncheon was served, and other members attending were Mrs. Bee Schaffner, Mrs. Lorene Morris, Mrs. Ruth Canner and Mrs. Mable McGee, all of Venice. Mrs. Schaffner, 608 Washington avenue, will be the next hostess.

Mr. and Mrs. Gerald Wallace and son, Gary, 640 Washington avenue, returned home Sunday from a weekend trip to Hagerman, Ill., where they visited with Mr. and Mrs. Frank Hanev and Mrs. Edna Downes and children, Brenda and Bobby.

Mr. and Mrs. James Baker and children, Debbie, Sherrie, Jim-

my and Kenneth Wayne, 1329 Brown street, spent Sunday in Hettick, Ill., where they visited his parents; Mr. and Mrs. Frank Baker.

SENIOR CITIZENS TO MEET AT CITY HALL
Venice senior citizens, sponsored by the Venice Homecoming and Memorial Association, held a monthly business meeting Tuesday morning at the Odd Fellows hall.

The meeting opened with prayer by Mrs. Mildred Pratt. Mrs. Audress Brown, vice president, conducted a business session. Mrs. Stella Loftus, secretary, gave a report and Emil Brown announced that quilting frames are complete and ready for use. The current project for the ladies is embroidering pillowcases and making quilt blocks.

Cheer cards were sent to Mrs. Margaret Foley, Mrs. Lawrence Caruso, Mrs. Nellie Miller, Mrs. Ann Hagans, Mrs. Clara Esprems and Mrs. Grace Backs. Four new members, Mr. and Mrs. Albert Harden, Mrs. Beulah Sizemore and Mrs. Faye Smith, were welcomed.

Mrs. Freda Leaton reported she had conducted Mayor John E. Lee, requesting permission for the group to use facilities in the Venice city hall basement. The request was granted and the organization voted unanimously to accept. Future meetings will be held each Tuesday at 10:30 a.m. at the city hall.

By-laws, submitted by Dan McGee, president, were read by Mrs. Brown, followed by open discussion. It was announced that on the last Tuesday of each month a business meeting will be conducted, followed by a pot luck dinner and social time.

A sack lunch was enjoyed and coffee was served by Bess Snell. Others attending were Mrs. Clara Kraus, Mrs. Marie Mangi, Mrs. Luella McGee, Mr. and Mrs. Ellen Creamer and Mrs. Nancy Bone.

HOME FROM HAWAII
Miss Judy Edwards, daughter of Mr. and Mrs. Wesley Edwards, 818 Third street, returned home Sunday evening by plane from a ten-day vacation trip to Hawaii. She spent one day in Seattle, Wash., before leaving for Hawaii.

She was accompanied by Miss Jan Young and Jay Arenet, both of St. Louis. The party toured four of the Hawaiian islands.

Mr. and Mrs. Floyd Painter, 121 Granville street, returned home Monday from Paducah, Ky., where they had visited Mr. and Mrs. Ernest Fox and Mr. and Mrs. Jack Keeling.

Pvt. Jim Ebersold, son of Mr. and Mrs. William Ebersold, 204 Third street, will leave Friday for Aberdeen Proving Grounds, Aberdeen, Md., to attend a mechanical training school.

Backs into Auto
Two autos were damaged in a 5:45 p.m. collision Tuesday at Edwardsville road and McCann bridge avenue in Madison. Police said a car driven by Jesse Metzger of 3242 Wilshire drive was stopped when a car driven by Charles F. Onstott II, of 2021 Rhodes street, Madison, backed into him to avoid an approaching car.

Sen. Douglas Urged by Petition to Run Again

Nineteen Madison county public officials and civic leaders forwarded an appeal this week to Senator Paul Douglas urging him to seek re-election in 1966. The petition concluded that "the con-

science of the Congress belongs right where it is."

The petition was circulated by Irving Dillard, member of the board of trustees of the University of Illinois, and includes the

signatures of Cong. Melvin Price, State Sen. Paul Simon, Rep. Lloyd "Curly" Harris, Rep. Leiland Kennedy, Mayor Donald Partridge of Granite City, County Auditor John Kraynak, County School Supt. Wilbur Trimpe, Recorder of Deeds James Chapman, State's Atty. Joseph Barilyak, Sheriff Barney Fraun-

dorf, Circuit Clerk Willard Portell, County Clerk Eudalia Horz, County Treasurer George Musso, Judges James O. Monroe Jr. and Joseph Barr, and George T. Wilkins, Dale Hill and Burton C. Bernard.

Funeral arrangements are given in today's obituary column.

Traffic Offender

Goos to County Jail

James G. Patton, 32, of 2807 Denver avenue, was transferred from the Madison city jail today for non-payment of fines totaling \$215 assessed against him on three traffic charges. The charges grew out of an accident at 13th and State street in Madison on Monday, when Patton's car struck a parked auto.

Patton was charged with leaving the scene of an accident, reckless driving and driving without a driver's license. Arraigned before Magistrate Hiscott, Patton was fined \$100, assessed \$35 costs and sentenced to 30 days in jail on the driver's license charge, fined \$50 and \$35 costs on the charge of leaving the scene of an accident, and fined \$50 and \$35 costs on the reckless driving charge. Patton, an employee of Union Starch & Refining Co., was removed to the county jail after serving the three days in the Madison city jail.

County to Get

Educational Fund

Grant of \$836,126

Allotment of \$836,126 to Madison county under the Elementary and Secondary Educational Act was approved by the federal government earlier this year was announced Wednesday by the office of Cong. Melvin Price (D) of East St. Louis, at Washington.

The Madison county fund is part of a \$61,000,000 allocation to all counties of the state to be used in programs supplemental to the existing school educational offerings. The Elementary and Secondary Educational Act permits applications by school districts for funds for various types of school activity under three separate titles. Applications under title one, which is a phase of the government's "War on Poverty" program, are limited to school activities set up primarily to aid underprivileged children. Once such programs are approved and initiated, however, all students are permitted to participate.

Title two of the program allows funds for library books, textbooks and instructional materials and title three provides for general programs of wide range, including experimental activities in educational fields not presently available due to lack of funds.

Funds for programs under title two will be distributed through the state Department of Public Instruction, but applications are distributed by the federal government for programs under titles one and three.

Robert Davis, administrative assistant to Suplt. Russell D. Johnson of the Granite City school district, said the district here is considering plans for applying under all three titles and that three separate committees consisting of teachers and administrative personnel are studying potential programs.

Crime Commission

Ends Hearings in

Gambling Probe

Two days of hearings by the Illinois Crime Investigating Commission into gambling activities in St. Clair and Madison counties ended at Belleville Tuesday with testimony concerning pinball machines, poker games and dice games in St. Clair, but no mention of any similar activities in Madison county.

Highlight of the hearings Monday and Tuesday was testimony by Robert J. Walker, an undercover man for the commission, that he had been told gambling operations could be conducted if a payoff was made to the St. Clair county sheriff's office. Maurice Joseph St. Clair county sheriff, denied the charge and said the testimony was untrue.

Damaged Vehicle Parked

On Highway

A parked car owned by Homer McKinney of 204 Broadway, Venice, was damaged at 6 p.m. Wednesday when it was hit by a hit-and-run car or truck. McKinney's car was parked in front of his home and was damaged on the top, left side and the trunk.

Speeding on Motorcycle

Thomas R. Wood of 920 McCambridge avenue, Madison, was arrested by Venice police on a speeding charge Wednesday night at Market street and Broadway where he was driving a motorcycle. Wood posted \$25 cash bail pending a hearing Oct. 13.

Lopez Going from

Camera to Chopper

Press-Record photographer Michael Lopez is trading in his cameras and pencils to pilot an Army helicopter. Since he is the first Quad-Citizen to enter the Army's warrant officer aviation program directly from civilian life swearing-in ceremonies Monday morning will be climaxed by his departure by Army helicopter. The copier, weather permitting, is being brought from its St. Louis station to the Granite City Army Depot. Sgt. James Maddox, local recruiter said today.

An honor graduate of Venice high school, Lopez was among the first of the Youth Focus corpsmen when it was originated in the fall of 1962. He has been associated with the Press-Record news photo department for several years interrupted only during school year while he attended the University of Missouri, Columbia.

The warrant officer aviation program has been opened due to the Army's new trend toward more "airminded" officers. Under the Army's guarantee program Lopez has been assured that he can go directly from civilian life into the Army aviation program.

After completion of basic training, tentatively at Ft. Leonard Wood, Mo., Lopez will receive an automatic promotion to Sergeant E-5, and will enter pre-flight school, at Fort Wolters, Tex. After 16 weeks of flight training will follow at Ft. Wolters and primary flight training will be at Fort Rucker, Ala.

Lopez' graduation he will receive his wings and a warrant officer commission USAF. Sgt. James Maddox, Madison, also said the program is open to any civilian with a high school diploma who can qualify.

Underpass Discussed by

Mayor at Lions Dinner

Venice Mayor John E. Lee addressed 19 members of the Venice Lions club at a dinner meeting Monday evening at the Elks club, discussing federal aid, highways and the Broadway traffic underpass.

He reviewed the underpass cost and location and told the effect on McKinley Bridge finances and what it would mean to the city. Present James Miller presided and introduced two guests, John Earl Campbell and Jess B. Bledsoe.

The club voted to donate \$25 and funds collected by the "tail twister" to the leader dog show in Rochester, Mich. The dogs assist blind persons. Tom Williams, entertainment chairman, discussed a "ladies night" tentatively set for December and Milton Morris reported on a cruise to be taken by the group on the "Dorchester Belle."

District Gov. Vernon K. Heuchert of Worden, Ill., will attend the Oct. 25 meeting, to be held at the Venice-Madison American Legion home on Broadway. The club's next meeting will be at the Elks Oct. 11.

GC Woman Arrested

On Weapon Charge

A Granite City woman identified as Mrs. Evelyn Effie Hulise, 35, 1151 E. 11th street, was arrested on a charge of carrying a concealed weapon by the circuit attorney's office in St. Louis Monday following a two-car crash which resulted later in the death of Joseph Drohr, 40, of St. Louis. Mrs. Hulise was named on the charge after her car and one driven by Drohr, collided at Broadway and Hickory street in St. Louis Sunday night. Drohr, 40, died at City Hospital where he died at 10:30 p.m. Wednesday. The St. Louis coroner's office said an inquest date has not been set for completion of reports in the case by the St. Louis police department.

Mrs. Hulise also was treated for head injuries at City Hospital, and later at St. Elizabeth Hospital here. Mr. Drohr's wife was treated for minor injuries and released immediately after the accident. Police said they are investigating the accident they learned Mrs. Hulise was carrying a .32 caliber pistol.

UF Commercial Division Readies For 1966 Drive

Madison Police Arrest Three for Speeding

Three arrests on speeding charges were made by Madison police Tuesday night. Those arrested posted their drivers licenses as bonds for hearings Oct. 13.

Those charged were Ronald L. Kaestner, Waterloo, arrested in the 1100 block of Madison avenue; William B. Powers of Caseyville, arrested in the 1000 block of Madison avenue; and Walter C. Jordan of 2105 Monroes avenue, arrested in the 700 block of Madison avenue.

Workers of the United Fund Commercial division met Wednesday in their last session before the kickoff of the 1966 UF campaign next Thursday, distributed supplies and prospect cards and announced a division quota of \$30,624.

George W. Reeves, division chairman, presided at the meeting which was a Dutch treat luncheon at the Rose Bowl restaurant.

The division consists of eight sections including: Finance, real estate an-

insurance, Arthur Koepfer, chairman, quota \$12,250.

Retail, Herbert Schermer, chairman, quota \$5,850.

Grocers, William Kozak, chairman, \$5350.

Auto Sales and Service, Harry Wolff, chairman, quota \$2,250.

Cleaners, laundries, TV shops and radio repair, Homer Johnson, chairman, quota \$400.

Barbers and beauty shops, Mrs. Nina Bigley and Mrs. Betty Walls, quota \$200.

Restaurants and taverns, William Burns, chairman, quota \$500.

Wholesale and miscellaneous business, Charles Meyer and Carl Roach, co-chairmen, quota \$274.

John R. Hundley, general drive chairman, thanked the workers for their willingness to take part in the campaign and emphasized the importance of the drive to the community. Slide films entitled "Nobody's A Stranger" were shown and drive leaders explained the use of campaign supplies.

The campaign kickoff meeting will be held at a dinner session next Thursday at 6:30 p.m. at the Granite City Steel Co. office building, 20th and State streets. Quota for this year's drive is \$348,000.

Area Clergymen Attend Golf, Fishing Playday

Golf and fishing were featured attractions at the annual "clergy play day" conducted by the Granite City Trust & Savings Bank yesterday at Sunset Hills Country Club, Quad-City area.

Hosts for the event were Henry D. Karandjef, board chairman, and Ernest A. Karandjef, president of the bank.

A breakfast began the day and lunch was served at noon, with the recreational portion extending into the afternoon. Trophies are to be awarded to the top fishermen and golfers.

ANNUAL CLERGY PLAYDAY given yesterday at Sunset Hills Country Club by the Granite City Trust & Savings Bank. Breakfast and lunch were served, and there was golf and fishing.

State Capital NEWS

Bow Hunters Alert

Archers plan to hunt deer in Illinois this fall should apply for their permits immediately, William T. Lodge, director of the Illinois Department of Conservation, stated.

"It takes time to process applications and mail out the permits. Hunters cannot expect to receive their permits the first day of the season if they apply late," Lodge said.

Madison, St. Clair, Cook, Will, DuPage, Kane and Lake counties are closed to deer hunting with bow and arrow. The rest of the state is open.

Dates of the deer season for bow hunters are as follows: Oct. 1-Nov. 15, inclusive; Nov. 24-Dec. 31, inclusive, except that hunting is not permitted from Nov. 30 through Dec. 6.

Hail Rates

At the Illinois State Water Survey in Urbana electronic data processing machines are becoming more and more important in research, and work in the atmospheric sciences is no exception.

At the water survey, all historical weather records for Illinois have been punched on 180 cards, totaling over three million, and machine analysis methods have been developed for their use.

A regional adjustment of hail insurance rates was possible because more exact hail data collected by survey scientists showed significant regional differences in occurrence of hailstorms. The result has been a savings of \$3½ million to Illinois farmers since 1961.

Birth Rate Down

During 1964, five births among residents of the state totaled 222,238, Dr. Franklin D. Yoder, director of the Illinois Department of Public Health, has reported.

This is the lowest number reported since 1955, when the total was 220,541. The record year was 1959 with 239,871 births. Since then, births have been steadily declining among Illinois residents.

The death rate in the state has remained about the same for the past decade. Last year there were 106,802 deaths among Illinois residents.

Traffic Fatalities

Traffic fatalities in Illinois from Sept. 1-15 totaled 82, according to provisional reports released by the Division of Highways and the State Highway Police. There were 94 fatalities a year ago during the same 15-day period.

Thirty-five persons died in 27 traffic accidents involving collisions between two or more vehicles, including one fatality in a motorcycle-motor vehicle accident.

An additional 47 fatalities occurred as the result of 43 accidents in which only the single vehicle was involved. Eleven of the dead were pedestrians, 36 were drivers and passengers of the single vehicles involved, which included one motorcycle and two bicycles. Also included were four victims of three railroad grade crossing accidents.

Two Saturdays and two Sundays during the 15-day period accounted for 40 traffic deaths—49 percent.

Researchers Needed

Miss Maude Myers, director of the Illinois Department of Personnel, has announced that research analysts are needed to fill vacancies with the Illinois Department of Mental Health. The positions are located in Springfield.

Research analysts assist in the design and application of research methods and techniques in the collection, summarization and analysis of statistical data. They perform research assignments of limited scope and assist in the development and execution of larger and more varied projects.

Requirements for the positions consist of completion of four years college with courses in statistics and preferably in economics, finance or the social sciences. The salary range is \$460 to \$690 a month.

Persons interested in applying for these positions or desiring

Roy Jones, 70, Dies In Hospital of Cancer

Roy Jones, 70, of 2438 Illinois avenue, died at 1:30 a.m. Tuesday in Cochran Veterans Hospital, St. Louis, where he was a patient one week. He was ill since April with cancer.

A native of Carlinville, he lived in Granite City 34 years. He was employed as an ironworker at General Steel Industries for 45 years. A veteran of world war I, he was a member of the Veterans of Foreign wars and was a member of the Glenview Chapel. He is survived by his wife, Mrs. Edna Jones; a son, Edwin "Bud" Jones, Granite City; five daughters, Mrs. Ruth Ann Hehle, Mrs. Edna Mae Barnes and Mrs. Rue Jeanette Marshall, all of Granite City; Mrs. Alice Marie Etherton, Carbondale, and Mrs. Audrey Elizabeth Layton, San Leandro, Calif.; two sisters, Mrs. Stella Cook, both of Granite City; 21 grandchildren and one great-grandchild.

An obituary notice appears elsewhere in this issue.

Two Mayors Want Study for Pilot Trash Incinerator

Mayor Stephen Maeras announced during last night's meeting of the Southwestern Illinois Council of Mayors that a study for a pilot trash-garbage incinerator plant for a three-county area is feasible.

Maeras said the project is being considered by Southwestern Illinois Metropolitan Area Planning Commission with a possibility of getting U.S. tax funds. The counties would be Madison, St. Clair and Monroe.

Both Maeras and Mayor Lee of Venice, who also was in attendance last night, have been studying a joint incinerator for their two cities.

The meeting of 40 mayors and guests was held at the Illinois Club in East St. Louis, and the main speaker was James D. Idol, director of the industrial transportation department of the St. Louis Chamber of Commerce.

He said that in efforts to attract new industries to their communities, city leaders should not ignore aid for existing industries. He foresaw a great industrial potential for the area since basic materials needed for steel manufacture are within a 125-mile radius.

Financial Statement
The transit service executive told the commissioners that both revenues and expenses were in line with budgeted figures for August and for the fiscal year to date. Revenue for August totaling \$1,794,174 and operating expenses amounting to \$1,594,166 was reported to the board.

For a five month period ending Aug. 31, transit operating expenses were \$9,815,158, and included maintenance, operations, insurance, pensions, employee welfare, general and administrative expenses and taxes. Income for the same period amounted to \$11,048,857, derived from passenger and charter fees, advertising, rents and miscellaneous.

MRS. LENNA WILLIAMS
1638 Sixth Street — TR-7437

32RD ANNIVERSARY

Mr. and Mrs. Charles Voloski, 1010 Seventh street, motored to their clubhouse in Carle during the weekend, with friends and relatives arriving Sunday to observe their 32nd wedding anniversary.

Mrs. Voloski had prepared turkey, ham and all the trimmings for the occasion.

Guests were Mrs. Voloski's parents, Mr. and Mrs. Frank Rhoads, and Miss Teresa Rhoads, Terry Joe Rhoads, Mark Rhoads, Miss Brenda Bodkins, Mr. and Mrs. Larry Paul Burns and sons, Jimmy and Larry Paul Jr., Mrs. Mary Stawer and son, Martin, Mrs. Pauline Caffrey and children, Jim, Bud, Dennis, Tom, and Pauline, and Mrs. and Mr. Eldon Rhoads and daughters, Donna and Debbie.

Mr. and Mrs. Charles Rhoads and children, Kathy, Art and Charles Jr., Mr. and Mrs. Lorton Hunter, Mrs. Helen Kuback, Mrs. Sally Bosworth, Mr. and Mrs. Freddy, Beverly and June, Steve Brasfield, Beverly Schenoma, Wayne, Mod, Jim, Burton, Gary Taylor and Charles, Paulette, Charles Jeanette and Carla Voloski.

The couple was presented with gifts. Games were played.

Brownie Troop 73 met at Harris school Monday afternoon with the leader, Mrs. Thelma Skelly, and co-leader, Mrs. John Wilimirth. Tessa Skelly and Christine Skelly were guests at the meeting.

The meeting was opened with the pledge of allegiance to the United States and the Brownie promise in union. The Brownie smile song was sung by Marsha Anderson, Barbara Bevil, Colleen Cato, Cynthia Bevil, Carolyn Essington, Belinda Guldager, Janet Galford, Joan Hollenbeck, Debbie O'Brien, Joanne Vandy, Debbie Shelton, Terry Taylor, Judy Wilimirth, Patricia York, Magdelyn York, Janice Maxwell, Elizabeth Maxwell, Linda Nasel-rud and Caroline Warfield.

Mrs. Winnie Sasyk and Mrs. Mark Werner, leaders of St. Mary's Girl Scout Troop 46, met with Mrs. Mary Elita Wimbach and the senior Monday afternoon in the cafeteria of St. Mary's school. The girls will continue to meet there each Monday.

Topics of interest to the girls were reviewed, with patrols discussed. Refreshments will be served each week by the girls.

Attending were Vicki McCarty, Karen Sasyk, Kimberly Plan-

itz, Penny Schlenschang, Mickie Long, Jean Long, Helen Zelenka, Deborah Kroun, Debbie Kierski, Kathy Werner, Mary Barko, Jo-line Hamilton, Linda Broadway, Linda McClanahan, Carol Sasyk, Debbie Votupak, Jackie Pingle and Mary Stokes.

JOY CLASS RESUMES

Monthly meetings were resumed Monday evening by the Joy Sunday school class of First Methodist Church.

Mrs. Alberta Robertson, president, presided over the business meeting as projects conducted through the summer months were discussed; books containing pictures of families of the church were presented to each family.

Den Two of St. Mary's Cub Pack 47 met Monday afternoon with the den mother, Mrs. George Stentzer. The meeting was opened with the pledge of allegiance to the United States.

A trip taken to the circus was discussed by the boys. Those taking part in the meeting were John Bulva, Donald Karpowicz, Butch Rasmussen, Jerry Pluniz, Kevin Werner, Louis Arnold, Victor Barnhart, Paul Bonk, Ricky Martes, John Pielcinaki and George Stentzer.

The living circle and "grand howl" were used for the closing. Mrs. Rita Barnhart and Mrs. Stentzer served refreshments.

MEET FOR CANASTA

Mrs. Rue Miller was hostess to the Chatter Canasta club in her home Tuesday evening. Mrs. Jeanette Stedford was welcomed into the club by the members to her home for the month of October.

Mrs. Mattie Bosworth, holding high score and Mrs. Sally Bosworth, low score, prizes were awarded. The hostess served refreshments from Mrs. Deloyce Rhoads, Mrs. Billie Bosworth, Mrs. Bernice Gashler, Mrs. Morte Gion, and the winners.

Mrs. Lois Moore, 2607 Fifth street, is receiving many cards during her stay at the Missouri Baptist Hospital, St. Louis.

She and her husband, Wilbert, were injured in an auto accident three weeks ago on their return from vacation.

Mrs. Moore is a nurse at Missouri Baptist. She is receiving the best of care but will need to remain there for a period of time.

REBEKAHS PLAN DINNER

Delray 786 Rebekahs met Tuesday evening at the Odd Fellows hall in Madison, with 44 members and a guest, Mrs. Agnes Meng from the Granite City Lodge, present.

Mrs. Louise Ebersold, noble grand, presided over a short business meeting, with various communications making monthly reports. The annual check dinner and bazaar, featuring hand-made articles, will be held Saturday at the hall.

Birthdays of the past six months were celebrated. Those honored were Mesdames Virginia Galt, Ophelia Smith, Mary Mortenson, Elsie Vance, Mae Salmon, Ruth Hambrink, Betty Grissom, Josephine Harris, Geraldine Stein, Edna Foster and Estelle McBrien.

Mesdames Belle Clemens, Daisy Brundt, Erma Graves, Ebersold and Grissom were on the committee making arrangements for the birthday observance. The next meeting will be Oct. 12.

One Hubcap Stolen
Pat Brumbery, 2200 Iowa street, reported at 9:20 a.m. today that one hubcap was stolen off his 1965 auto while it was parked at the Tri-Motor Bowl between 6:45 and 11 p.m. Wednesday.

Address Incorrect
Mrs. J. J. 2169 Elm street reported this week that an individual included in a list of bankrupt cases Monday does not reside at that address.

Weidner, Mrs. Florence Durr, Mrs. Mabel Dandridge, Mrs. Pauline Sasyk, Mrs. Maxine Tawney, Mrs. Thelma Skelly, Mrs. Mae Hendrickson and Miss Dorothy Hinson.

The group will meet the fourth Monday of each month at Harris school. Refreshments were served.

Girl Scout Troop 87 met Monday at the First United Presbyterian Church of Madison with the leader, Mrs. Dorothy Hinson.

Margaret Ann Bosworth, was elected scribe and Bonnie Wilimirth as treasurer.

Plans were made for an outing Oct. 8 at Monks Mound. Activities were discussed prior to a game period. The meeting was closed with a song.

Mrs. L. C. Curd was a member of Granite Chapter 650, Order of Eastern Star, Gabriel Shrine 78, White Shrine of Jerusalem, Daughters of the Nile, East St. Louis chapter, and the Belleville Spiritualist Church. Her husband, W. J. Culp, preceded her in death in 1959.

She is survived by three sisters, Miss Augusta Bottrell, with whom she resided, Mrs. Elizabeth Spengler of Taylorville, Ill., and Mrs. Golda Shepherd of Mount Auburn, and a brother, Dayne Bottrell of Mount Auburn.

Her parents, Mr. and Mrs. Sampson Bottrell, are deceased. Her mother, Mrs. Mary Culp, lived in today's obituary column.

Police Hires 2 Buses
For MU-UCLA Game
A chartered bus excursion to Columbia, Mo., for the Oct. 10 football contest between Missouri U. and UCLA, will be sponsored by the Granite City park district as a special feature in the fall activities program.

Local football enthusiasts can take the trip on one of the buses, Harold Brown, park superintendent, said today. Tickets for the game cost \$5, plus a \$4 charge for round-trip transportation, he added.

Eighteen seats still are available on Bus No. 1, which will remain on the second vehicle, Brown said. Reservations may be made by calling the Wilson park office at TR-2389. Each bus carries 33 passengers, the park official said, and will leave simultaneously from the park at 8:20 a.m., returning at 8 p.m.

Those interested in taking a similar trip to a University of Illinois game this fall are urged to contact the park office, Brown said.

Car Struck in Rear
After stopping for a traffic signal on Madison avenue at Niedringhaus avenue, a car driven by William M. Jameson, 400 Braden avenue, was struck in the rear by another driven by Gerald V. Ely, 2235 Edison avenue, which skidded on wet pavement when he applied his brakes at 2:45 a.m. today.

BB Shot Through Window
Rev. Ross Smith, 2915 Benton street, reported at 7:30 p.m. today that vandals shot a BB through the picture window of his home.

CELEBRATES FIRST BIRTHDAY AT PARTY
The first birthday of James Grote, son of Mr. and Mrs. James Grote, 1825 Venice avenue, was celebrated Monday evening at a party given by his parents.

Present were Mrs. Darlene Daigler and daughters, Debra and Darla, Mr. and Mrs. Wesley James, Mrs. James, Mrs. Edna, Mr. and Mrs. Donald Brown, Mr. and Mrs. Jack Haug and Mr. and Mrs. Everett Brown.

GC Democratic Club Elects New Officers

Officers for the 1965-66 were elected last night by the Granite City Democratic Club at a meeting at the Rose Bowl.

Those named were Mrs. Ernest Eli, president; Howard Stopkotte and William Dallas, first and second vice-presidents, respectively; Willard Portell, treasurer; Mrs. Anita Eltmoff, recording secretary; Mrs. Josephine Calvo, corresponding secretary; and the following members of the executive board, Horace Calvo, Harold Allen, Bill Williams, Frank Fuzzessary, Robert Benda, Don DeCuse, Thomas Nesbit, Vasil Eltmoff and John Kravynak.

A Halloween party will be held in connection with the Oct. 27 meeting at the Rose Bowl and refreshments will be served.

Anyone interested in joining the club may contact Mrs. Eltmoff.

Tennis season for night-time players ends today, it was decided at last night's meeting of Granite City park district commissioners.

The switch at the Wilson Park court will be pulled after this evening's sessions. It might be pulled earlier today, if rain continues.

In action last night the park commissioners authorized Atty. Randall Robertson to make application with the General Services Administration for purchase of the old downtown post office building and tract.

Funds have been raised by private subscriptions for purchase of the triangle tract and for raising the building. The proposed plan is to develop the site as a downtown park.

Commissioners also conferred with Henry Gabriel and Sylvester Dugan on continuing planning for an artificial ice skating rink. A group of park board members recently inspected rinks at Decatur, Pekin and Peoria. They discussed incorporating features of the Peoria rink in the local plans.

Approved was a vacation policy for the four to six full-time park district employees who are to receive one week vacation after one year's service and two weeks after two years.

Plans were approved for a \$300 concrete form for drinking fountains to be placed in the district's parks and playgrounds and a \$250 chain saw.

Junior Girl Scout Troop Three will meet with the leader, Mrs. Bernadine Weidner, at Louis Baer school Monday for a rededication ceremony. Mothers of the girls are to attend.

Monks Mound Probers Find 'Cover Up' by Indians

An archeologist this week posed a question for which they are seeking answers by drilling deeper into Monks Mound.

It became apparent with preliminary drillings that perhaps the mound which rises 100 feet above the Mississippi River bottomlands at Cahokia Mound state park.

Scientists from Washington University said clay and sand borings taken from 82 feet down

in the mound indicated that one-third of the structure was naturally formed and the rest built up by the Indians who lived in the area more than 1000 years ago.

The theory has been that Indians built the earthen mound as a place of worship similar to pyramids in Central America.

Further study of sample is to be made before more definite conclusions can be drawn.

Night Tennis Season Ends Today At Wilson Park

There was no report of treatment.

Two Hurt in Crash
They are Joseph Palmer, 57, of 541 Mercedia street, and George Leonard, 62, of 1129 1/2 N. 20th street, who were hurt in a crash.

Leonard suffered a shoulder, knee and arm injuries; while Leonard is being treated for a cut to his left elbow and chest injury.

Details of the accident were not available at local or state police headquarters.

Mrs. Culp, Minister, Nurse, Succumbs Today

Mrs. Faye B. Culp, 69, of 2250 Cleveland boulevard, a minister of the Spiritualist Church, died at 10:15 a.m. today at her home.

She had been in poor health for the past six months, and her death was attributed to cirrhosis of the liver.

Born in Mount Auburn, Ill., Mrs. Culp had resided in Granite City for the past 25 years. Previously, she lived in Nokomis, Ill.

She was a retired registered nurse and was ordained as a minister of the Spiritualist Church in 1962.

Mrs. Culp was a member of Granite Chapter 650, Order of Eastern Star, Gabriel Shrine 78, White Shrine of Jerusalem, Daughters of the Nile, East St. Louis chapter, and the Belleville Spiritualist Church. Her husband, W. J. Culp, preceded her in death in 1959.

She is survived by three sisters, Miss Augusta Bottrell, with whom she resided, Mrs. Elizabeth Spengler of Taylorville, Ill., and Mrs. Golda Shepherd of Mount Auburn, and a brother, Dayne Bottrell of Mount Auburn.

Her parents, Mr. and Mrs. Sampson Bottrell, are deceased. Her mother, Mrs. Mary Culp, lived in today's obituary column.

4 Eagle Park Youths Bound Over on Robbery

Four Eagle Park Acres youths were bound over to the Madison County grand jury Wednesday afternoon at a preliminary hearing held by Magistrate William Kelleher in Edwardsville. They are charged with robbing a Fontana, Mo., man of \$80 early last Saturday. Bonds were set at \$2500.

They were licensed Sanders, 17, of Bond road; J. D. Marchbanks, 20, of 211 Hill street; William Lucas, Jr., 20, of 105 Hill street; and Willie Allen, 20, of 207 Allen street. A juvenile, 16, also was arrested in the case.

Earl Mahan Jr., 23, told county authorities he was robbed by five persons who threatened him with a broken bottle after he left a Brooklyn tavern to attend a party in Eagle Park.

Fined \$25 for Nuisance
Luther W. Tidwell, 48, of 1932 Spruce street, was fined \$25 and costs on a charge of creating a nuisance after he was arrested Wednesday on a complaint signed by Jack Frick, city inspector. He said Tidwell was tearing up old cars and keeping junk on his property.

Boards Told of Rapid Educational Changes

The fund of human knowledge, which once took 17 centuries to double, is now doubling every five years and at an accelerating rate, 350 school board members and administrators were told at a dinner at Granite City High school Tuesday night.

L. Goebel Patton, Illinois Education Association public relations director, told the semi-annual conference of the Southwestern Division, Illinois Association of School Boards, that such acceleration is forcing educators to discard the kindergarten-through-twelfth grade concept in favor of three-year-old, through-death educational needs.

Future generations will be re-trained vocationally four or five times during their lifetimes, he said.

B. B. Burgess, associate director of the Illinois Association of School Boards, said schools face an increasing challenge from other agencies seeking to handle the nation's tasks.

Panel discussions later in the evening included a school public relations discussion at which B. B. Burgess, president of the Granite City school board, IASB division vice-chairman, was moderator. Division Chairman Roy H. Fruit of Edwardsville presided at the banquet.

Joseph Yelinek, 79, Dies in Belleville

Joseph Yelinek Jr., 79, of 325 Avery Hill, Belleville, died at 6:45 a.m. yesterday.

Elizabeth's Hospital, Belleville, following an extended illness. He had entered the hospital ten days ago.

Mr. Yelinek, who had many friends in the local area, was a retired miner. Born in Czechoslovakia in 1886, he had lived in Belleville for the past 43 years. He was a member of the Progressive Miners Association of America, Local 4, and the Fraternal Order of Eagles, Local 111.

Survivors include his wife, Mrs. Mary Yelinek; two children, Joseph J. Yelinek Jr., and Michael Yelinek; a fourth child, grade teacher at Jerome school, Cahokia, both of Belleville; a daughter, Mrs. Theresa Karmel, Cicero, Ill., and one grandchild.

Funeral arrangements are given in today's obituary column.

Four Fractures Among Injury Cases Treated

Four local youngsters, who sustained fractures in separate mishaps yesterday were given treatment at St. Elizabeth's Hospital, Belleville, later released.

The quarter included two 14-year-old youths, both with fractures of the left wrist — Eugene Sawyer, son of Mr. and Mrs. Stanley Amberger, 2556 Benton street, who fell in PE class, and John Carter, son of Mr. and Mrs. William Carter, 2207 Nevada avenue, held playing touch football.

Two younger boys who fractured their left arms were Daniel Elledge, five, son of Mr. and Mrs. Milton Elledge, 442 Benton avenue, whose older brother stepped on him accidentally, and Terry Gilmore, 10, son of Mr. and Mrs. Harry Gilmore, 2337 Pine street, arm hurt in a fall at home.

Didn't Go in Lake

Vernon Clutts, 35, of Rural Route One, was released from the hospital Tuesday after treatment of injuries received when he was thrown from his motorcycle on Route 111 near Highway Aid 35 last Sunday. Clutts said reports that he was thrown into Horseshoe Lake and was rescued by companions were erroneous. Clutts said the accident occurred when a mechanical fault developed on his motorcycle. He suffered abrasions to the right knee and pains in the back and chest.

Shed Fire, \$2200 Damage

Damage was estimated at \$2200 to a storage shed and \$900 to the contents in a fire at the home of Willy Bailey, 2847 Harding avenue, at 4:15 p.m. Wednesday. The contents included riding lawn mowers and children's bicycles. No cause was listed. Firemen were at the scene an hour.

Man Fined \$100, Costs

Basil B. Watts, St. Louis, was fined \$100 and costs on a charge of leaving the scene of an accident and \$50 and costs for having a license on his car during a hearing before Magistrate Hiscott Wednesday. The charges were filed Monday by Venice police.

Man Sees Hubcap Thieves

Mickey Mick, 2348 Waterman avenue, heard a noise in his driveway at 4:35 a.m. today, and when he turned on his garage light, he saw two persons run from the rear of his 1964 car. Spinner-type hubcaps were taken off the rear wheels.

Driving Charge Reduced

John Passig, 1753 Chestnut street, was fined for speeding rather than reckless driving as reported recently. The reckless driving charge was reduced to the state's attorney's office during a hearing before Magistrate Hiscott.

MRS. TAYLOR HOSTESS
TO PRESBYTERIAN CHURCH
Mrs. Irma Taylor was hostess Tuesday evening to the Evening circle of the Nameoki Presbyterian Church in her home, 1736 Primrose avenue.

Mrs. Fern Mitchell, chairman, opened the meeting with devotions, followed by the lesson, "Live as Free Men," by Mrs. Bonnie Britton.

Mrs. Britton, world service chairman, announced a cancer bandage cutting session at the church at 9:30 a.m. Oct. 6.

Mrs. Taylor, officer of the Protestant Welfare, said a business meeting of the group will be held at the church Oct. 19 at 7:30 p.m.

Mrs. Roy Pyle, program chairman, gave final plans for a retreat Oct. 1 at 7:30 p.m. at the church. Mrs. Taylor read missionary names of the day and the Fellowship of the Least Coin and offered prayer.

Refreshments were served by the hostess to these named and Mesdames Edith Arbogast, Sylvia Cross, Lou Pyle and Louise Thompson. Next meeting will be Oct. 26 in the home of Mrs. Cross.

ALTAR SOCIETY PANTRY SHOWER FOR SISTERS

The Altar Society of St. Elizabeth Catholic Church held a pantry shower for the Sisters Tuesday evening preceding a business meeting. Ninety-two members and six guests attended; guests were Mesdames Warfield, Grace Hendricks, Carol Moske, Mary Horvath, Lyle Becherer and Irene Feiler.

Lay teachers present were Miss Patricia Gentile, Miss Juliana Hoebeck, Mrs. Doris Jones and Mrs. Margaret Richardson. Nuns present were Sister Mary Bernard, principal of the school, and Sister Mary Joseph, Sister M. Consilia, Sister Rosemarie, Sister Ann Susanna, Sister M. Roberta and Sister Marie Delaudes.

Following the shower, a business meeting was conducted by Miss Ann Pare, president. She announced Communion Sunday for ladies of the Society Oct. 3, Oct. 17, a Catholic nurse dinner will be held at the school cafeteria.

Hostesses were Mrs. Lillian Turk and Mrs. Monica Frey. Decorations for the Sisters' table were in pink and red. An arrangement of fresh-cut red roses served as the table centerpiece, with lighted pink candles on either side. Favors were miniature baskets filled with candy.

The buffet table held a Madonna flanked with lighted pink candles. The Madonna was presented to Mrs. June Stalcov, the angel of the month went to Mrs. Connie Browne and a prize went to Mrs. Jones' room for the largest number of mothers present.

Next meeting will be held at the school Oct. 26.

FIRST PACK 22 MEETING

The first meeting of the year of Cub Pack 22, sponsored by the Frohardt school PTA, was held Tuesday evening at the school.

The opening flag ceremony was by Den Six, led by Mrs. Arthur Stawar, Den Mother, followed by a playlet by Mrs. Marlene Manogian's Den Eight.

Cubmaster Leo Manogian conducted the business meeting and announced that annual candy sales by the scouts will be held in October.

Arthur Stawar presented awards to Mike Mercer, Dwayne Smalley, Stanley Manogian, Terry Kalia. Awards also were given to Robbie Bartling, Jeff Witting and Craig Tarpoff, who were Webelos and now will go into a Boy Scout troop.

Three new den mothers, Mrs. Shirley Gardner, Mrs. Charlotte Gault and Mrs. Beverly Kraus, were honored by the boys. Games were played and a closing Den ceremony was presented by Den Eight while Stanley Manogian played "Taps." Refreshments were served by Den Eight.

The next meeting Oct. 26 at the school will be a costume Halloween party.

Mr. and Mrs. Dave Parrish, 2344 Waterman avenue, were hosts Tuesday evening at their home to Boy Scout leaders of the Uniwah district.

Main purpose was to complete plans for a pot luck dinner for the leaders and their wives Oct. 2 at the Kirkpatrick Homes recreation center.

Round and square dancing will be supervised by Mrs. Helen Borkman. Preceding the dancing, games will be played. Refreshments were served to Dr. Leo Coleman, Mr. and Mrs. Jerry Sizemore, George Wilson and Mrs. Raymond Gaudette.

BRIDGE CLUBS MEET

The Granite City Duplicate Bridge club held a weekly Sunday evening at the Elks club under the direction of Mrs. Sam Meyer.

Honors went to Dr. Jacob Cohen and Sam Meyer, first; Mrs. Muriel Dressel and Mrs. Betty Caldwell, second; and Mr. and Mrs. Paul Denford, third. There will be no meeting Oct. 3, but the group will resume on Oct. 10.

The Nameoki Duplicate Bridge club met Monday morning in the home of Mrs. Meyer, 2832 Yale drive, for its weekly session. First place went to Mrs. Elizabeth Tiller and Mrs. Donna Schaffer, second to Mrs. Helen Wyman and Mrs. Mildred Branding and third to Mrs. Marie Huff and Mrs. Meyer.

The next meeting Oct. 4 will be master point day.

RETURN FROM VACATION

Mr. and Mrs. Orh Rogers and daughter, Leah, 3272 Franklin avenue, and Mr. and Mrs. Robert E. Gates, 2677 E. 23rd street, returned Sunday from a three-week vacation in the West.

The two families made the trip with camping equipment and visited at Cripple Creek and Tin Cup, Colo., Monument Valley, Ut., Sequoia National Park in California and San Jose, Calif.

On the return trip, they stopped at Pendleton, Ore., for an annual western roundup and later toured Yellowstone Park.

SCOUTS ELECT OFFICERS

Junior Girl Scout Troop 158 of the Maryville PTA held a weekly meeting Monday at the school, opening with the Girl Scout promise and pledge of allegiance.

Patrol leaders elected were Debbie Bell, Karen Boyett, Pam Gage and Patty Tester. Other officers are: president, Robin Baker; vice-president, Kim Thompson; secretary, Mary Mitchell; sergeant-at-arms, Cheryl Bennett; and reporter, Karen Rotter.

Others present were Jeanette Felly, Patty Lachon, Gusewille, and the leader, Mrs. Betty Bell and Mrs. LaVerne Malzynski.

The troop discussed projects for the coming weeks, and the "magic carpet badge" was presented to those qualifying.

Grant Renamed To Port Road

Joseph A. Grant, 2104 Garfield avenue, was renamed a commissioner for the Tri-City Regional Port Authority by Gov. Kerner this week.

Grant, an original commissioner, was named to a term that will continue until a successor is named, according to his commission. In the past, commissioners have been appointed for three years.

Grant recently retired from his position as international vice-president of the Boiler-makers Union for the Great Lakes District, the largest district of the international union.

The seven-member board has one vacancy—a representative for Venice to be named by Mayor Harry Hartman, city attorney for Venice.

Other commissioners are Carl R. Kautz, chairman; Harold R. Fischer and Henry D. Karandjeff, all appointed by the governor; John Bellotti, whose appointment is by Mayor Martinus; and Donald Partney Jr., who was appointed by Mayor Donald Partney.

Gov. Kerner also announced this week the appointment of Miss Elna Hutz, Madison county clerk, to the state Election Laws Commission.

Charles Hoy Jr., 51, Succumbs in Hospital

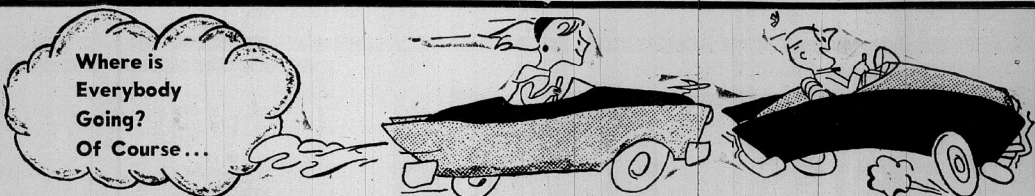

Charles Hoy Jr., 51, 150 West Highway 66, Florissant, Mo., formerly of Granite City, died at 11:45 p.m. Tuesday in St. Louis County Hospital where he was a patient one day. He was ill one day, and emphysema was suspected as the cause of death. An autopsy was performed Wednesday.

Mr. Hoy was a native of Seabrook, N.H., and was employed as a caretaker at a St. Louis restaurant.

He is survived by three daughters, Mrs. Dorothy Adams of California, Mrs. Mary Wise, Edwardsville, and Mrs. Barbara Dunn, St. Louis; a son, Richard, Rickard, Belleville; his parents, Mr. and Mrs. Charles Hoy Sr., Granite City; three sisters, Mrs. Edith Laycock and Mrs. Annie Earney, both of Granite City, and Mrs. Isabel Parker, Crown Point, Ind.; a brother, Stanley Hoy, Hoy, Tampa, Fla.; and six grandchildren.

An obituary notice appears elsewhere in this issue.

News From The Files Of The Granite City Press-Record

Social Security And Women

(This is the sixth in a series of columns by Ralph Brasher, social security district manager in East St. Louis, telling what the social security amendments of 1965 mean to Quad-City families.)

The Social Security Amendments of 1965 include several provisions especially for women, and it is important for women to know what these changes in the law can mean to them.

Besides health insurance for the aged, there are many major changes in the old-age, survivors and disability insurance program. Of these changes, three affect women directly, and all the others have a "woman's angle."

The provisions especially for women are: payment of reduced benefits to widows as early as the age of 60; wife's and widow's benefits for divorced women who were married for at least 20 years before the divorce; and benefits for women 72 or older who were not eligible for benefits before this because they or their husbands had not worked long enough under social security.

Less directly affecting women is the provision that allows for responsibility under the social security law, they write, phone or visit the East St. Louis district office, located at 435 Missouri avenue.

The telephone numbers are EXpress 7-5350 and BR 4-2200, Extension 324.

State Needs To Face Its Highway

Financial Needs Realistically

In view of District Highway Engineer Kronst's comment that a third of the 1700 miles of primary highway in this region are deficient and unsafe, it seems especially unfortunate that Democratic legislative leaders—bitter at Illinois senators' refusal to approve the full administration tax proposal—rejected the cent-a-gallon gasoline tax hike that was offered in the closing hours of the 1965 session.

Adequate highways are costly, but the problem does not become any easier to solve by ignoring it. Instead, neglected paving needs grow into increasingly serious congestion and hazards—as demonstrated by the Naneoki road improvement currently stalled due to "lack of funds."

Compounding the unfortunate outlook, in the viewpoint of many Quad-Cityans, is the fact that federal funds available for scheduled 1965 projects are being diverted elsewhere, possibly in some cases to regions and states with less population and interstate travel.

If, as Engineer Kronst says, we are driving on 1965 and 1966 built highways, it is a pity that safety, local and statewide road maintenance and construction are going to require higher priority, and much faster action, in the very near future.

District, State Jaycee Events

Scheduled For Quad-City Area

Granite City Jaycees are meeting with success in their efforts to bring regional activities to the Quad-City area. The District Eight business tournament and the Jaycees' statewide sports jamboree both will be held locally in 1966.

Such events, along with similar programs and conventions scheduled by other organizations, and materially increasing tourism business while simultaneously giving out-of-town residents a favorable glimpse of the attractions of the Quad-City area.

Pause For Reflection

The current ten-day holy period between the Jewish New Year and Day of Atonement included a time of meditation and self-examination, a practice which in some of its aspects commends itself to men of all faiths.

It is significant that the traditional observance brings with it both solemn and joyous thoughts. Such a pause in the busy whirl of life may help—can help understanding of life's meaning and confidence for the tasks that lie ahead.

Uniform Training, Uniforms Sought for Crossing Guards

A training program for the chief to carry it out. Purchase of yellow rubber raincoats and rain covers for the crossing guards was approved. Twelve coats and rain covers are to be bought from Tractor's store on a bid of \$182. The firm also submitted a figure of \$264 for plastic type gear. No other firm has bid.

Traffic Commission Meets. Prior to the council session, council members met with the Traffic Study Commission and school board representatives to outline signs designating school zones and where the 20 mph speed limit signs are to be placed.

It also was brought out that state law forbids school boards from hiring school guards in city limits. The city had hoped the school district would at least share the cost.

Partney announced that Crawford to designate locations for school zones and school zone speed limit signs.

During the council session, Alderman Fry recommended all signs to be of a reflectized type

Judicial Decisions Must Be Made By Judicial Authorities

Dismissal of five charges against a 17-year-old motorist last week brought to light a Granite City police department practice which should be ended immediately. Steps to prevent a recurrence currently are being taken.

The charges were driving with a suspended license, intoxicating and driving without a license, traffic accident scene and destroying city property.

As explained by the police, the procedure called for arresting officers to testify or not testify in effect, to prosecute or not prosecute—as they saw fit. If sufficient mitigating circumstances were brought to the policeman's attention, he could and often did drop the case. This placed not only the authority but the burden of judicial power on his shoulders.

The particular case and officer are not the issue, nor is it necessary to cite all the potential advantages of vesting so much power in so many different individuals. At best, the practice was placed in an extremely awkward situation, and the public faced varying standards—depending on which officer happened to be assigned.

Just as a private attorney would not move to the bench to pronounce sentence, those making arrests must not have judicial robes thrust upon them.

Undoubtedly there are many cases in which a full review of the facts prompts dismissal of charges, just as there are innumerable instances in which conviction is warranted. Virtually all charges have at least some basis or would not be filed. The chief rather than the officers should make the initial recommendation, to proceed with evidence and testimony, but the only one in a position to make the final evaluation—based on legal training, court experience and objectivity—is the judge.

It is surprising that this fundamental approach was not followed and demanded by all parties, including the Third Judicial Circuit.

'A Rose By Any Other Name ...'

Rather than the rows of three plums or bells on older "one-armed bandits," the latest kind of gambling device does not look like a slot machine at all—and features such objects as wildcats, geese and rabbits.

But triplicate symbols still lead to winnings in the form of "refunds" from business places for the number of "games won," the Illinois Crime Commission charged last week in seizing \$15,000 worth of equipment in raids at St. Clair county warehouses, taverns and restaurants, preceding its public hearings at Belleville Monday and Tuesday.

This region has remained under surveillance because of the commission's recognition that the gangster syndicate has one of its main power bases in northern Illinois. With increasing restrictions being placed on interstate shipment of gambling equipment, implications of possible accelerated activity within Illinois are obvious.

Stern local and state action can be effective against lawlessness and mob infiltration, as has been demonstrated in Madison county.

We urge stronger efforts to upgrade conditions in St. Clair county; until there is such an improvement, unfair but prevalent generalizations about the "east side" will partially tar this county with the same brush.

STOLEN BICYCLES

LOCATED PROMPTLY

To the Editor:

On behalf of our two teenage daughters, we publicly express our thanks to the Granite City police department.

Two girls' bicycles were stolen from our driveway between 9 and 10:15 at night. After a search of nearby yards, the theft was reported to the police about 10:30.

Early the next afternoon, the police had recovered both bicycles.

No one could hope for greater efficiency than this. We want each member of the police department to know how much we appreciate his work.

APPRECIATE ASSISTANCE

To the Editor:

In behalf of the YMCA Senior Citizens and myself, I want to say "thanks" to the Press-Record for the nice cooperation given to promote our efforts as an organization for retirement people.

To all your staff, we thank you.

Our thanks also go to Col. Schweizer of the Army Depot for inviting us to be guests there last week. The four we enjoyed under the direction of Eugene Eubanks exceeded our wildest imagination. The pie and coffee served to us made by the soldier boys was delicious. Major Kessler and staff, our thanks for your kind hospitality.

Bob Spengler, thank you also for being our No. 1 escort to the depot. Your friendship and help is appreciated by all of us.

To all of our kind friends, may we extend the invitation to come down to the "Y" and meet with us any Friday. It will be our pleasure to have you at our guests.

PARTICIPATION NEEDED

To the Editor:

In regard to a recent letter in The Forum, "Progress in Reverse," pertaining to the \$1,900 sewer bond election held in Namekowi township Aug. 24, which was decisively defeated by a 3 to 1 margin, we would like to make the following comment:

First, we would like to say the word "progress" was used loose-

ly. Maybe the term "costly progress in reverse" would be a more appropriate term.

How much traffic can our pocketbooks stand? Should the tax payers just stand by and sign a blank check? Absolutely not.

The time of the tax-tat, speed-spending type of government must stop. We must require a dollar's worth of service for a dollar spent, and have citizens' participation in planning.

The Committee for Economic Improvement for Namekowi Township was accused of not featuring this program. We will admit that we were opposed to this program, but we were not taking the credit.

It was the voter and taxpayer who went to the polls and defeated this program, based on the facts of Sewer Bond Ordinance No. 5 as published in several newspapers distributed in Namekowi township.

It was also stated that Namekowi township lost \$700,000 in federal grant funds because of the defeat of the sewer bond ordinance. If the precinct committeeman who signed the letter to The Forum has this information, he is guaranteeing a \$700,000 federal grant—he should by all means have this published so that all the people who voted would be aware of what they missed.

This information we doubt could be produced. Much revenue was lost due to our association on sanitary sewer programs, and the information received by us does not say that there is an incredible amount of money that we would receive a federal grant.

Our civic organization is willing and has offered to bring to meet with the Town Board of Auditors to discuss matters pertaining to any economical and feasible program, regardless of nature, so that the people and taxpayers of Namekowi township could have a voice and be informed on all matters and issues.

St. John Church Stocks Fallout Shelter for 88

Survival supplies to sustain 88 persons for a two-week period recently were transferred from the Granite City Army Depot to the educational building of St. John United Church of Christ, 2901 Nameoki road.

Furnished by federal authorities without cost to stock licensed fallout shelters, the emergency provisions were transported from the local army installation on trucks manned by volunteer church members, Ivan Rellke, Richard Bauer and Harley Wilhelt.

They are housed in a public fallout shelter area on the lower school building, which was surveyed last year by a team of U. S. engineers and declared eligible for the public shelter classification.

Survival kits include medical and food supplies, water containers, sanitary kits and radiological instruments. Each shelter area is marked with a distinctive yellow and black sign and designates the number of persons the area will accommodate.

Thirty-seven of the 38 shelter areas in Granite City have now been licensed with the U. S. Department of the Army and the Office of Civil Defense, according to Victor H. Koenig, Granite City civil defense director.

Apart from the initial survey, Koenig said, a more detailed inspection of each proposed building was made before licensing and marking of the areas was permitted by the federal government.

Public fallout shelter space and emergency supplies for approximately 10,000 persons will be available in the community when all projects are completed, Koenig reported. He added that 13 shelters, located in Granite City schools and local industrial firms, have now been stocked.

Reports Accident at Dump

Earl Toney, 237 Ohio avenue, reported that while he was unloading trash from his station wagon at the Granite City public dump at 2:30 p.m. Monday, a pickup truck driven by R. A. Smith, 2008 Omaha street, backed into his rear fender, pulled about 10 feet away and then backed into the same fender. Toney said Smith then denied hitting the car.

Parked Car Damaged

Two autos were damaged at Sixth street and Madison avenue, Madison, at 3:55 a.m. Tuesday when a car driven by James E. Dykes of St. Louis backed into a parked car owned by Charles A. Marcus of 4106 Stearnes avenue. Both cars were damaged in the rear end. Dykes told officers he was parked at an angle on Sixth street and when he backed out he struck the parked car across the street, also parked at an angle.

License Plates Stolen

Ralph Johnson, 1747a State street, reported at 10:50 a.m. Tuesday that a set of 1965 Illinois license plates, No. 687-521, was stolen from inside his auto at an unknown time.

Ruling OKs Crime Group to Conduct Closed Meetings

An opinion holding that the Illinois Crime Investigating Committee may conduct closed investigation meetings and executive sessions was among a series of rulings announced this week by Attorney General William Clark at Springfield.

Clark advised R. R. Canfield and P. H. Marshall, co-chairmen of the commission, that the agency can only investigate crime for the purpose of further action. The statutes provide that any official services at which legal action is taken by governing bodies must be public meetings.

In another opinion, Clark pointed out that the Illinois General Assembly has provided a salary of \$2000 a year for the new office of associate clerk of the circuit court in counties under 500,000 population. Clerks of county courts in such counties have assumed the duties of this new office, Clark's opinion advised.

The county clerk is not required to provide access to county records such as birth, deaths and marriages except as authorized in certain statutes and regulations made pursuant to that statute, Clark said in another ruling.

Liability For Taxes
In still another ruling, the attorney general held that counties are liable for increased new tax rates upon proceeds for sales of utility services under the public utilities act, the Gas Revenue Tax Act and the Messages Tax Act.

Another ruling by Clark holds that a motor vehicle dealer in Illinois may tow an automobile from various points to other places by placing one dealer license plate on the rear of the vehicle being towed, if the dealer owns the vehicle.

However, Clark advised State's Attorney Frank Bonan of Hamilton county, a "question arises" when the towed vehicle is not the property of the dealer. In such cases, Clark ruled, the dealer becomes a transporter and he must apply for and receive a set

DAV Forget-Me-Not Days Set Friday and Saturday

Pointing out that the war is not over for America's wartime disabled veterans, Mayor Donald Partney of Granite City, Stephen A. Maeras of Madison, John E. Lee of Venice and Thomas Stalcoff of Ponton Beach Village have proclaimed Oct. 1 and 2 as Disabled American Veterans Forget-Me-Not days.

The mayors are urging citizens to buy a blue, lapel flower of remembrance which will be sold on streets by DAV Chapter 35 and Auxiliary.

In their proclamation, the mayors said, "Many disabled veterans, their families and their dependents are in need of counseling, rehabilitation assistance, and advice pertaining to government rights and benefits, and the Disabled American Veterans, chartered by Congress as the official voice of the nation's wartime disabled, is rendering a vital service to area disabled veterans."

The mayors commended the DAV for its service to the disabled and in their proclamation requested "all citizens, interested groups and societies to participate in the day." Proceeds of the day will be used by the DAV Chapter 35, which is formulating the plans for the days under the direction of Andrew Gitchoff, for its work with disabled veterans and their dependents.

The mayors' complete proclamation follows:

WHEREAS, The war is not over for our disabled veterans who have given a part of body and well-being in the wartime service of our nation; and WHEREAS, Many disabled veterans, their families and their dependents are in need of counseling, rehabilitation assistance and advice pertaining to government rights and benefits; and

WHEREAS, The Disabled

American Veterans, chartered by Congress as the official voice of the nation's wartime disabled, is rendering a vital service to the disabled veterans of these communities and areas; and

WHEREAS, The DAV has pledged itself to protect existing benefits and help obtain additional needed benefits for America's disabled defenders; and

WHEREAS, The DAV has chosen Oct. 1 and 2 as its annual Forget-Me-Not days in these communities, the funds derived from said days to be used in behalf of the disabled veteran and his dependents in these communities;

NOW THEREFORE, We the mayors of the Quad-Cities, do hereby proclaim Oct. 1 and 2 as DISABLED AMERICAN VETERANS FORGET-ME-NOT DAYS and request all citizens, interested groups and societies to participate in the day.

DONALD PARTNEY, Mayor, Granite City
STEPHEN MAERAS, Mayor, Madison
DR. JOHN E. LEE, Mayor, Venice
THOMAS STALCOFF, Mayor, Ponton Beach

Avery Schermer Heads Urban League Drive

Avery Schermer, operator of Schermer's Supermarket at Madison, was named chairman of the financial committee of the Urban League of Madison and St. Clair counties Monday night.

The meeting was held in the Economic and Opportunity Commission office in East St. Louis. The committee will plan a financial drive to support Urban League operations in the two-county area. The drive will be held early in 1966.

Jesse Cannon, Alton postal employee, was named head of the group's publicity committee. Leo Bohannon of St. Louis, regional director of the National Urban League, was principal speaker. He outlined steps required for financial support of the league and for obtaining an executive director.

The next meeting will be held in the Alton high school Oct. 25.

ENTIRELY NEW STYLING of the 1966 Ford Fairlane is displayed in the photo of the Fairlane 500/XL 2-door hardtop, above, and the Fairlane GT convertible, below. The cars are on display starting tomorrow at B. E. Hohlt, Inc., 1837 Madison avenue.

B. E. Hohlt to Display 1966 Fords on Friday

An exciting new "this and hers" sportshift automatic transmission, two new model series, three big new engines, new convertibles and completely new styling highlight the Fairlane for 1966 which will be on display Friday at B. E. Hohlt, Inc., 1837 Madison avenue, local Ford agency.

"In completely re-engineering and re-styling the medium-sized Fairlane for the first time since its introduction as a 1962 model, we have improved on the timeliness and roominess that have led many owners to think of their Fairlanes as family sports cars," Hohlt said.

The new model selection—four series instead of two and 13 models instead of eight—is indicative of the broadened family

and sports appeal of the 1966 Fairlane.

The new series—Fairlane 500/XL and Fairlane GT—are available in convertible and two-door hardtop models and are designed for sports- and luxury-oriented customers.

The Falcon, Thunderbird and the new 7-Litre Fords also will be on display at B. E. Hohlt beginning Friday.

"In every sense, Ford has a sound competitive base for 1966, but chose not to stand still. On that solid foundation Ford has built more safety, convenience, quietness, and performance into all 1966 models," Hohlt said.

Dismissal of Charges Changes Procedure

The recent dismissal of five charges against a youthful motorist resulted this week in the revamping of procedures at Granite City police headquarters.

Police Chief Raymond Willard, who said he was unworried by the dismissal of the charges by Officer Frank Harris until after the hearing had been conducted, stated that it will be required for all officers to confer with him in the event any change in charges is planned.

Patrolman Harris, who appeared at the magistrate hearing last week but did not testify, said he believed the youth was worthy of being given another chance for rehabilitation.

He said the boy's mother died recently and the youth is living with an uncle rather than his stepfather. The uncle had consulted with the officer over the possibility of keeping the boy at home. "If the charges had remained and the boy had been fined, he would have gone to jail since the family has no money," Harris said.

The officer pointed out he had done nothing in dismissing the charges that had not been done before.

Chief Willard, indicated a

Pep Club, Band Officers Elected At Venice High

By JUDY REIDELBERGER

Venice high school Pep Club and band have elected officers for the new school year, and publications class members have been busy the past week with their Venetian yearbook.

Pep Club officers are Mary Jane Gray, president; Margaret Taylor, vice-president; Bernice Koelker, secretary; Judy Austin, treasurer; Kathy Daniels, publicity chairman; and Kathy Wilkinson, sergeant-at-arms.

Band officers are Judy Reidelberger, president; Barbara Manner, vice-president; Lee Conterman, secretary; Linda Seibert, treasurer; and Larry Gardner, sergeant-at-arms.

Publications students were excused from their afternoon classes Tuesday to sell advertising in the Quad-City area for the yearbook. Today Hollywood-Andrews studio took curriculum pictures in all of the morning classes.

SIU Technical Campus Sets Record Enrollment

Students are enrolling in record numbers at Southern Illinois University's Vocational Technical Institute Campus, ten miles east of Carbondale on Crab Orchard Lake.

The institute occupies the former administration area of the old Illinois Ordnance Plant in the Crab Orchard National Wildlife Refuge. The 138-acre tract and its buildings were deeded to the university this year by the federal government.

Extensive refurbishing of Illinois and science buildings was completed this summer.

VTI offers 26 one- and two-year technical and vocational training programs, ranging from accounting to electronics and wood technology. Newest is a two-year mortuary science curriculum, added last year.

Graduates of the two-year programs receive associate degrees from SIU, while one-year courses are certificate programs.

45 Graduate from 'Y' Square Dance Classes

Square dance graduation night for 45 youth members was held last week, it was announced today by David Walker, YMCA youth director.

Bob Boyd, director of the square dance program, presided at the graduation ceremony held at the "Y" auditorium, where more than 100 parents and interested friends watched as the children received their "Bachelor of Square-Dance" diplomas.

The children finished a 20-week course of beginner instruction and will now advance to an intermediate workshop series.

The following received their diploma: George Ramsey, Lisa Rankin, Bob Weidner, Paula McElford, Jeff Brady, Cathy Crumby, David Krohn, Ellen Rickert, Keith Goff, JoAnn Weidner, Kenny Kibort, Phillip Lamm, Stacy Eli, Keny Goff, Brenda Long, Bob Rickert, Shelly Eli, Jeff Jolly, Debbie Lawrence, Debbie Sumpter, David Stone, Linda Ciesler, Gail Sabin, Darrell Harrison.

Rieda Diffe, Ricki Couch, Mariene Kafka, Susan Olsen, Cheryl Willis, Brenda Sawyer, Elaine Travis, Shelly Weiss.

Kathy Kibort, Karen Kibort, Angela Epperson, Bob Whitehead, Sandy Ramsey, Mike Haynes, Kenny Buford, Dana Mandl, Jimmy Taylor, Jimmy Buford, Keith Melton, Jerry Jones and Kenny Lawrence.

A new beginner square dance section has been started, and anyone wishing additional information may contact Walker at the YMCA.

Local Roller Skaters Win 1st-Place Trophy

Fred Meyers and Kim Klashma of the Rollerland dance club won the first place trophy in the freshman dance in a 10-state roller skating meet of more than 35 teams during the weekend at the Southtown roller rink in St. Louis, according to statistics compiled this week.

Keith Mercer and Patty Steiner of the local club won second place in the event. The two teams were among the youngest in the competition. Keith and Patty are 12, Meyers is 16 and Kim is 14.

Terry Suhre and Jolene Hackney made a good showing, getting second place out of 36 entries in the novice dance in the eliminations and semi-finals, and placing fourth in the finals.

Other club members who skated in dance and figures were John Mikes and Sue Parsons, Joe Mercer and Lynn Woods, Ronald Ham and Linda Zurkullen, Willard Scott and Mildred Milligan, Danny Tucker and Barbara Black, and Bill Lehman and Pamela Townsend.

Combine Financial Aid Programs for SIU-SW

Financial assistance programs for Southern Illinois University students have been combined into a single operation under a reorganization announced this week by SIU President Delyte W. Morris.

The new Office of Student Work and Financial Assistance incorporates the student work program, financial assistance, and scholarships. It is a university-wide operation under the supervision of Ralph W. Ruffner, vice-president for student and area services, and John Rendleman, vice-president for business affairs.

Frank C. Adams, head of the student work program, will serve as director of the unified program. Raymond De Jarnett and Alice Rector are assistant directors for the Carbondale campus, with Philip L. Eckert serving as assistant director for the Southwest campus.

The program is designed to operate on an experimental basis until June 30, 1966, when it will be evaluated for inclusion in the University's planned Student Special Services Division, according to the announcement.

Fall Enrollment Up to 5335 Students at SIU

A fall quarter enrollment of 5335 students at Eastern Illinois University, Charleston, was announced officially today. It is up 14.9% from the 1964 fall figure of 4666.

The report shows 5622 full-time students and 203 part-time students. There are 2927 men and 2408 women. The graduate school enrollment is 260. Fall quarter admissions were cut off last May 3.

Booklet on Jobs, Training Prepared For U.S. Youths

Going to work is much more complicated today than in the so-called "good old days." Young people must be aware of the kinds of jobs available, training needed, how to go about getting a job, labor laws, their rights.

To ease the confusion for beginners or those who expect to go to work soon—full time or part time—the Bureau of Labor Standards, U. S. Department of Labor, has issued a "Handbook for Young Workers."

This easy-to-follow bulletin pinpoints necessary information in simplified form.

Part I Explains the responsibilities of going to work, stressing the importance of education and training. Helpful suggestions include pointers on interviews, how to act on-the-job, and pay check deductions.

Labor laws which concern every worker are spelled out in Part II of the bulletin. These include such legislation as minimum wage and Social Security.

The next section deals with available services. Included are the contributions of state employment agencies, private employment agencies and vocational rehabilitation programs.

Finally, the bulletin advises young people where to seek vocational and technical education, training for national defense. The potentials offered by Office of Economic Opportunity, apprenticeship, and other U. S. government programs are described.

It is a bulletin for youths de-

Judo Classes Start At 'Y'. Still Open

The new fall judo schedule started this week at the YMCA as classes were opened to students at all age levels.

Five classes were opened to youth department members, comprised mainly of grade school students. These include three beginner sections, an intermediate class and an advanced class.

A junior judo club also will be organized which will give advanced instruction on a competitive level to the students. On the adult level, both beginner and more advanced workout and instructional classes are open.

The overall program has been broadened and refined through the efforts of Jacob Bowman, first degree black belt and a "Y" employee.

Bowman is handling the adult program, and the youth classes are being taught by Mike Middleton, an instructor during the summer and one of the outstanding young competitors in the area. Further information may be obtained from the YMCA.

Slot Car Racing is Just One Great Big "Zoom!"

By MIKE GREMAUD
Press-Record Sports Staff

Do you like automobile racing without the dust, dirt and parking problems?

Well, here's the answer: Slot car racing.

DOWN THE STRAIGHT, brake hard and hit the large sweeping right turn. A custom model, a Corvette and a Ford GT are just three of the many various cars that can be built for competition on the slot car race track.

WE HAVE THE QUIET ONES

Porsche, Ferrari, Lotus-Ford, Cobra, Dragster, or even a "Golfing Aston Martin." Choose a track. Will it be Le Mans, Sebring, or Riverside? Speed away toward the first turn. Hit the brakes hard and slide through. Now accelerate toward that hairpin at the bottom of the hill. That's the way it goes, lap after lap.

Major Activity Here

Slot racing has become a major spare time activity in the lives of younger people. And some adults, too. At the Tri-City Speedway, young and old alike enjoy the thrills of "spinouts" and race victories.

Every Sunday, the speedway runs a full card of races with eliminations. Classes are broken down according to the sizes of the cars.

There is a 1/24 scale with full body (for closed sedans and roadsters), a 1/24 scale class for open wheel cars (Indianapolis type), a 1/32 class for the cars built smaller to scale. There is also a "Powder Puff" class for the female enthusiasts. The drivers accumulate points toward a driver's championship trophy to be given at the end of the racing season.

The big incentive is for an individual to build his Ferrari or Lotus-Ford and then actually compete against other cars and drivers.

Here's How

Want to build your own slot racer? Here's how to do it, the easy way.

Plastic bodies are sold for the builder to place onto the chassis of his car. Electric motors are then selected and fitted to the chassis and body. Next come the wheels and other accessories for better handling through the turns.

The final step is painting the car, adding numbers and, most important of all, the "racing stripes."

A few test runs to try out the car, and then you are set to go after the track record. After a few times at the track, you might decide to own a whole stable of racing cars.

Many of the boys build more than one car and race them. With each new car, they try to get more speed and better performance," said Jim Converse, race program director. "Several of the boys build cars for show," he added.

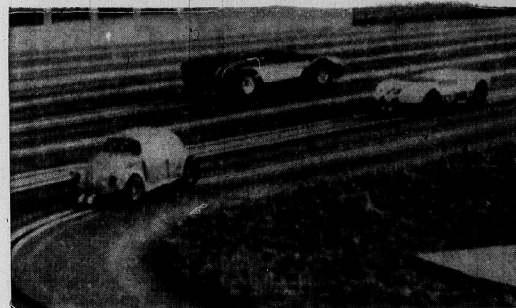

A slot car can be built "from the ground up" and maintained for less than \$10 but, if you are lazy, you can buy one in a kit costing in the neighborhood of \$5 to \$8.

Maybe you will never beat Clark or Foyt, or set a new lap record on the big-size Le Mans, but you can get all the same thrills in slot racing, and none of the hazards.

Who knows? Maybe they'll extend their racing program to cover 24-hour endurance races. One thing is for sure, there is no bratwurst to get hearburn from.

Belleville Takes Advantage of GC Mistakes, Beat Sophomores 13-0

Belleville high school sophomore football players handed the Granite City sophs a 13-0 defeat Monday night at Belleville.

The sophomore Maroons held a slim 7-0 halftime score, and then bounced back with a two-yard plunge by halfback Bill Mauser for their 13-point win.

A 55-yard pass play with quarterback Jack King tossing a bomb to end Steve McCrae gave Belleville its first score.

The PAT kick by Curt Agne was good.

The Granite City team played sound ball in the first half and then gave its opponents five fumbles and three pass interceptions during the second half.

Coach Leon Chappell's little

Redmen controlled the ball during the first two quarters and at one time had a scoring threat on the Belleville five-yard-line. "As we were going over the goal, our ball carrier fumbled and Belleville recovered it," Chappell said. "This turned the whole game the other way," he added.

While the Granite City offense stumbled and faltered, the defensive team was enjoying the day's praises. "Our defensive unit played exceptionally well, especially Mike Dochwat, a line-backer," said Chappell. Dochwat was credited with 15 unassisted tackles in the game.

"We've got the potential, but our scoring game just didn't click," the Warrior soph mentor said.

The game leaves Granite City with a 1-1 record. The win came last week, over Staunton, 7-6.

'Y' Basketball Gets Under Way

The YMCA Teen Town Basketball team will begin practice on Monday at 7 p.m. at the YMCA. Any high school member of the teenage department may try out for the team by contacting Jack McCoy or Teen Town personnel at the 'Y'.

The team will play both home and away games with the Alton, Peoria, Decatur, Springfield and Belleville YMCA's. Also on the team's schedule are the District Four holiday tournament Dec. 28 and 29 at Springfield, and the Granite City park district holiday tournament.

Last year, the team won 21 and lost nine games and captured first place in the park district tourney, second place in the park district league and third place in District Four play.

NOW—MOST POWERFUL OUTBOARD—NEW MERC 1100...110 HP

NOW—ALL NINE NEW MERCURYS (110 TO 3.9 HP) ARE QUIET

see all the QUIET new '66 Mercurys—at your Mercury dealer!

From the pioneer in high-horsepower outboards comes a new champion—the new 110-hp Merc 1100! What's it like to ride herd on 110 horses? Point the bow at the farthest point on the lake, crack the throttle—and that lake's suddenly smaller! The Merc 1100 is the great new international performance and endurance records than any other outboard ever built!

From the sleek new Merc 1100—and the exciting new 95-hp Merc 950—all the way down the line to the trim 3.9-hp Merc 39, these new Mercurys are quiet—quietest outboards you can buy!

Also new for '66: now you can safely use a 50:1 gasoline-oil ratio with our new Formula

50 Super Outboard Motor Oil. Polar-Gap spark plugs—developed by Kiekhafer during World War II for costly military engines, now refined and produced exclusively for both six-cylinder Mercurys. Polar-Gap plugs cut fuel consumption, last more than twice as long as ordinary plugs, even on highly leaded fuel. Two new powerheads, three other models redesigned from top to prop—and much, much more.

Mercurys are designed by the industry's top engineers... then boat-tested under "customer environment" conditions around the clock and around the calendar at Mercury's Lake X—the world's finest marine proving grounds. The result of this unique program is cumulative: each year's Mercurys benefit

from the millions of test miles that went before. Result: Mercury '66—finest outboards ever built—with the widest range of horsepower ever offered in the outboard field: 3.9, 6, 9.8, 20, 35, 50, 65, 95, and 110 hp.

See your Mercury dealer! Kiekhafer Corporation, Fond du Lac, Wisconsin, and Toronto, Subsidiary of Brunswick Corporation.

Miss Libby Assists In U. of I. Program

Miss Barbara Libby of Granite City, a University of Illinois senior majoring in recreation, participated in a recent international welcome weekend sponsored by the university YMCA.

The program gave American students and those from all parts of the world an opportunity to meet for fun, fellowship and orientation to the university and campus life as well as life in Illinois and the United States.

She served as a discussion leader and as a member of the recreation committee which pro-

vided social recreation for the group.

Miss Libby recently returned from Milwaukee where she attended the American Institute of park executives conference for two days along with 30 other recreation students from the U. of I.

The purpose of the trip was to provide first hand opportunity to see all types of recreation at work. They toured private industries and recreation facilities. She is the daughter of Mr. and Mrs. Charles Libby, 1628 Venice avenue.

Army Offers Flight Training to Recruits

The U. S. Army is announcing expansion of its warrant officer flight training program to qualified young men. Qualifications are:

U. S. citizenship, high school graduate, 18 to 30 years old, from 64 to 76 inches in height, weight not more than 200 pounds, be willing to enlist in the Regular Army for two years, successfully pass the required mental and physical tests, complete basic training prior to entry in the flight training program (prior service personnel who

have fulfilled their requirement or the equivalent may be sent directly to flight training) and agree to accept appointment as a warrant officer upon completion of flight training.

It is one of the Army's guaranteed programs, which means a recruit knows he is accepted before he enlists, according to Sfc. James E. Maddox, local recruiter. Further information may be obtained by contacting him at 1340 Niedringhaus avenue, TR. 6-8990.

DODGE HARDTOP—The 1966 Coronet, a completely new car, is on display today at Farrington Motors, Inc., 1911 Madison avenue.

Farrington Unveils All-New 1966 Coronet

Dodge today unveiled its most elegant '66 car, the Coronet, at Farrington Motors, Inc., 1911 Madison avenue.
The car is completely new and the styling carries a fresh, contemporary theme. The lines are simple and not cluttered with chrome. There are many significant new safety and mechanical features.
"The Coronet is a family-size car," said Don Z. Farrington, Dodge retail sales.
"The crisp, fresh styling of the

ford. Yet it offers a wide range of body styles and accessory options which allow the buyer to tailor it to his individual taste.

The complete Dodge line, including Monaco, Polara, Coronet and Dart is on display at the local Dodge dealership today.

The Coronet was introduced to the Dodge line last year and officials predicted it would lead the way for Dodge. To date it has accounted for more than 40% of Dodge retail sales.

"The crisp, fresh styling of the

'Y' Art Class Registration Open

There are still openings for the YMCA Art Class held on Tuesday afternoons at the 'Y.' Mrs. Lee Pfaff, adult program director, announced today.
Instructions for beginners to advanced is part of the class taught by Mrs. Bonnie Fuller. There are 8 lessons left in the present session and a slight fee of a dollar and fifty cents is charged per lesson for non-members. Members are asked to pay \$1.25 per lesson.
Anyone interested may call either Mrs. Fuller or Mrs. Pfaff at the YMCA.

Koenig Going to CD Confab in Las Vegas

Victor H. Koenig, Granite City civil defense director, leaves tomorrow for Las Vegas, Nev., where he will attend the 14th annual conference of the U. S. Civil Defense Council.

Among the activities planned during the week-long convention is a tour and demonstration at the Atomic Energy test site, near Las Vegas, on Monday.

Council delegates will be greeted by Gov. Grant Sawyer of Nevada and will hear addresses by William P. Durkee, national director, Office of Civil Defense, Department of the Army, and Buford Ellington, director of the Office of Emergency Planning, Washington, D. C.

Top military leaders and national officers representing the Salvation Army and the American Red Cross, also will participate in the conference, Koenig said.

During Koenig's absence, Assistant Director Floyd T. Mitchell will assume command of the local CD organization.

Downtown Circus Ok'd Oct. 18-23

Permission was given for Monday night the Downtown Granite City shopping center to stage a street circus on Edison avenue between 18th and 19th streets Oct. 18-23.

The circus, which was approved by the city council, will be held in connection with a downtown circus sales promotion, according to John L. Bernard, executive director of the downtown association.

Featured will be clowns, a baby elephant, four horses, 15 rides, a high wire act, trapeze act, cyclists and other performers.

Special entertainment also will be provided.

Bernard said the street will be cleaned four times daily, and he added that the circus has ample liability insurance.

It's 1966. Rise up with Dodge. Get with the swinging cars of the year!

JOIN THE DODGE REBELLION

Why wait, when your year is here? The year to snap tired old ties, to break old buying habits. The year to really express yourself... with the '66 swingers from Dodge. Different, exciting cars for people with different, exciting tastes. Rally 'round Dodge for '66. Dart, Coronet, Polara, Monaco... cars made to help you kick the dull driving habit. There are lots of Dodges for you to hang your personal rebellion on.

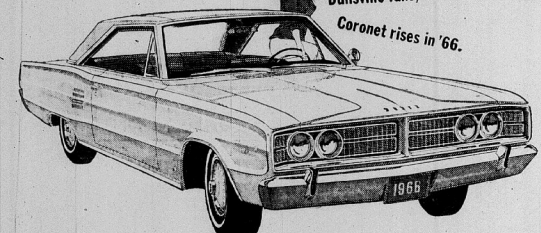

Every one backed by a 5-year or 50,000-mile warranty. Every one with these features that used to cost extra but now come standard: Outside mirror. Padded dash. Variable-speed electric windshield wipers and washers. Backup lights. Turn signals. Seat belts, two front and two rear. And lots more with Dodge... the beautiful Rebellion on wheels. Stir up your spirit and march to headquarters.

'66 Dodge Dart Still talking about squeezed-up compacts, when you'd rather do something about them? Put your money where Dart is! Unexpectably big inside, long outside. Six on V8 power. Rise up with Dart! Be expensive without being expensive.

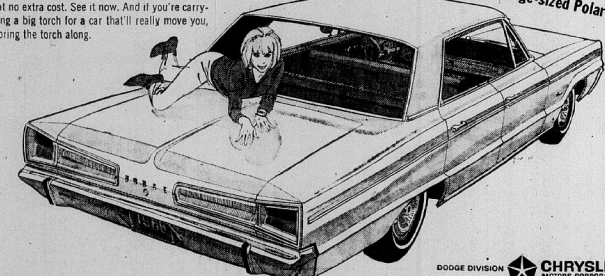

Stamp out cramped compacts;
get with man-sized Dart.

'66 Dodge Coronet Here comes Coronet... sharp, smart, sexy, the greatest thing from Dodge since Year One. Loaded with luxury the higher-priced cars haven't caught on yet. With a choice of five engines, designed to make the walls of Dullsville come tumbling down. Get away from look-alike, first-cousin cars with Coronet.

Dullsville falls,
Coronet rises in '66.

'66 Dodge Polara Snap, crackle, pop, go the ties that bind. You're up and out of the rut with Polara. More "big." More "hot." A lot of standard extras (like a 383 cubic inch V8) at no extra cost. See it now. And if you're carrying a hot torch for a car that'll really move you, bring the torch along.

Demand more "big" in your big car;
insist on Dodge-sized Polara.

Teen Town to Hold Band Dance; Clubs Open Meets

The YMCA Teen Town will hold a special orchestra dance from 8:30 to 11:30 p.m. next Thursday. There will be no school the following day because of teachers' meetings.

The band will be the Coachmen. Members are charged a 25-cent fee, and non-members 50 cents.

Hi-Y and Tri-Hi-Y clubs scheduled for that evening will meet at 7 and 7:45 p.m. instead of the regular 7 and 8 hours.

Meanwhile, 13 Hi-Y and Tri-Hi-Y clubs will begin meeting for the fall season at the 'Y' Teen Town tonight.

Hi-Y clubs for high school boys and Tri-Hi-Y girls clubs are YMCA-sponsored service clubs.

YMCAs are to create, maintain and working to create, maintain and

extend throughout the home, school and community high standards of Christian character.

Club Objectives

Among objectives of the clubs are to aid members in dealing with personal problems and concerns, to train members to become good leaders, to give members experience in responsible citizenship and community service, to provide opportunities to develop good social relationships and to meet new friends, and help members in their search for God.

Working with each club are adult volunteer advisors who help individual members function as a unit and encourage each participant to take an active part in club affairs.

Training Sessions

Training sessions for advisors and all club officers were held Monday evening, preparing them for upcoming programs. The sessions were conducted by Mrs. Louise Serfas, Mrs. Marty Herman, Mrs. Linda McCoy, Phil Mehele and Brian Bronsman, all members of the Teen Town staff.

Time slots are still available for new clubs or membership in existing clubs. Those interested may contact one of the staff members at Teen Town.

Open House Sunday At New SIU-SW Campus

An open house will be held between 2 and 4 p.m. Sunday at Southern Illinois University's new Southwestern campus where classes are being held this quarter for the first time.

University officials will greet visitors in the new John Mason Peck classroom building, and student leaders will conduct guided tours of the building and the library.

Visitors also will be given information about three other structures going up on the campus, one of which is nearing completion.

Day and evening classes started last Thursday, mostly for upperclassmen, with freshman and sophomore students enrolled at the SIU-SW teaching centers in Alton and East St. Louis. The three centers reached the 7000 mark in enrollment last week, and registration continued through yesterday.

Easiest access to the new buildings is via a new campus road leading from Highway 157 near the southwest city limits of Edwardsville.

14 GCHS Students Cited for High Merit Exam Scores

Fourteen students at Granite City high school have been honored with Letters of Commendation for their high performance on the National Merit Scholarship Qualifying Test given last spring.

They are Mary A. Abramovich, Michael J. Andria, John E. Beard, John A. Filcoff, Cathy J. Foiles, Larry D. Jackson, Diane S. Kinney, Kathleen McDonald, Lawrence E. Nolan, John W. Prater, Mike J. Sizemore, Ron L. Thompson, Michael E. Wallace and Linda M. Whitten.

They are among 38,000 students across the nation recognized for scoring in the top two per cent of students who will complete high school in 1966. The commended students rank just below the 14,000 semifinalists announced last month.

John M. Stalnaker, president of the NMS Corp., said: "These students are being recognized for their outstanding performance on the qualifying test. There is a notable academic achievement."

"In a rigorous competition like the merit program, it is unavoidable that many fine students will miss being named semifinalists by a narrow margin. Nevertheless, the student in this situation is very capable and deserves generous recognition for his distinguished effort."

"The commended students have considerable ability which should be developed through further education. They deserve every encouragement and their promise is great. They represent an important intellectual resource which our nation needs."

No Final Exam System Scrapped at 2 Campuses

After a year of experimenting with its system of final examinations, Southern Illinois University has returned to a formal "finals week" similar to that used in the past.

The last week of each quarter again will be set aside as a testing period, with examinations given according to campus-wide schedules. During the trial period, this system was abandoned and regular class meetings continued to the end of the term. Each teacher was free to give a final examination during a regular class meeting if he desired.

Robert W. MacVicar, SIU vice-president for academic affairs, said the change is being made upon recommendation of academic officials with unanimous approval of the university's faculty council. Both faculty members and students had been asked to voice opinions on the matter.

A faculty council report said returns from a questionnaire given teachers and students indicated mixed reaction, but were somewhat more favorable to the examination week system.

The new plan will include different examination schedules for the Carbondale and Southwestern campuses, based on specific recommendations voiced by faculty representatives. The Carbondale campus schedule will include 50-minute examination periods, the Southwestern campus schedule 100-minute periods.

MacVicar said valuation and review of the matter will be continued during and at the end of the current year. In making such evaluation, he said, "it is expected that student reaction will be sought as it was during the period of experimentation just closed."

During the trial period, this system was abandoned and regular class meetings continued to the end of the term. Each teacher was free to give a final examination during a regular class meeting if he desired.

This is Holiday Lake

(If you wait till it's filled, you're in for a big disappointment)

Here just north of Edwardsville on the East Side, specialists who have put in 44 other such developments are creating a 400-acre lake with more than 12 miles of picturesque shoreline.

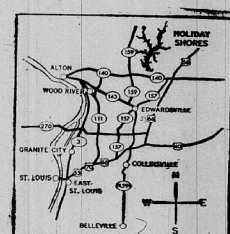

Around this lake, they're building a private resort community that's the only one of its kind within a hundred miles. Here you can fish, boat, swim, or just relax in carefree privacy, less than an hour from almost anywhere in the metropolitan area. Holiday Shores can be your home for a weekend, a vacation or for year-round living, with all the conveniences of the city close by.

So where's the disappointment?

Well, 433 families already have bought their lots in Holiday Shores. If you wait till the dam is finished and the lake is full, and the boat docks and beaches and recreation facilities are in, you may find the lot you would like to have is sold. (And all lots will definitely cost more then.)

The way out is to drive up to Holiday Shores today, or tomorrow sure, and pick your lot now, at the predevelopment price.

Don't say we didn't tip you off.

The new division will consist of three regions - Wisconsin - Minnesota - Indiana - Missouri. Greathouse previously served as assistant division manager of the midwest region. Greathouse is a veteran of the U. S. Army Infantry and served extensively in the European theatre in world war II.

He and his wife, Mildred, have four children: Walter Jr., 14, Brian, 10, Carol, 6, and Scott Joseph, 1½.

Suit for \$950 Filed

A \$950 damage suit has been filed for George Hudson against William E. Jefferson of St. Louis in Madison county circuit court.

The complaint alleges Jefferson's auto struck Hudson's parked car last May 13 at Second and Jackson streets, West Madison, and negligence is charged.

\$150,000 Suit Filed By Injured Workman

A \$150,000 damage suit has been filed for Paul Vaughn of Madison against four firms and Howard Anderson of Granite City, a foreman at Olin Mathieson Chemical Corp., East Alton, in Madison county circuit court.

The other defendants are Olin Mathieson, Westinghouse Electric Co. of St. Louis, United Engineers Inc. of St. Louis and Motor City Electric Co. Inc. of St. Louis.

The complaint alleges that Vaughn, who was employed by the Eichleay Corp. at the plant, fell from a ladder on Sept. 27, 1963, and suffered severe and permanent injuries. He alleged negligence and carelessness on the part of the defendants and charged failure to comply with the Illinois Structural Works Act in furnishing him with defective equipment.

Charles F. Brown of Granite City has filed suit for \$52,000 actual damages and \$50,000 punitive damages against the Allstate Insurance Co. in Madison county circuit court at Edwardsville.

The complaint alleges that Brown, a policyholder with the firm, was injured in an auto accident with Lawton K. Grooms on

Catholic Charities Offers 'All-Family' Service to Area

CATHOLIC CHARITIES, United Fund agency, provides material as well as advisory assistance to Quad-City residents. The agency offers an "all-family" service in material, financial and child problems.

United Fund

Material assistance in emergencies is given on a non-sectarian basis. Families are assisted in solving their problems of an emotional, marital or financial nature by counseling with trained caseworkers.

Child adoption and foster home placement is offered, by referral from county courts, and unmarried mothers are assisted with their problems.

A total of 740 family cases was assisted in 1964, involving 407 persons. Nineteen of these were unmarried mothers, with 13 adoptions completed during the year. A clothing room is handled by the Ladies of Charity who distribute thousands of articles each year. The agency is managed by the office of Catholic Charities of the Diocese of Springfield, Ill.

The agency's service is so extensive that the same family may obtain service over a period of years. If one of the children becomes morose or hostile, Catholic Charities is there to provide interviews and counseling.

If the problem persists, the agency can further provide family placement for the disturbed child or have him placed in a child's home.

When a problem is only temporary, counseling and attempts to reunite the child with its parents are continued, and the parents also are given counseling to enable them to understand the problems of their children.

The agency also supplies help of less critical nature. When financial problems make it impossible for a family to outfit children for school, the agency helps out there, too. It also has frequently made clothes available to the parents as well.

If a couple is without children, aid can be sought from Catholic Charities in adopting a child. The agency is the only one in the Quad-Cities area licensed by the state to assist in adoptions.

Rehearsals will be held every Tuesday evening from 7:30 to 9:30 in Room 1402 of the Peck General Classroom building on the first floor of the University Campus. No auditions are required; however, participants must be of high school age or older.

Under the direction of Dr. Leonard Van Camp, the Society has been widely acclaimed for its performances of the major choral works and great oratorios, which are its specialty.

Child Welfare is its major area of concern. It employs a full-time caseworker to handle adoptions.

This year, from Jan. 1 to May 1, the agency handled a total of 288 cases, including 224 cases carried over from 1964, plus 57 new cases and 77 reopened cases.

The agency operated in 1964 on total expenditures of \$68,997, and had a 1965 budget of \$61,500. The agency receives approximately half of its operating funds from sources other than the United Fund.

For the 1966 year, the agency has estimated \$34,000 in outside income and requested an allotment of \$36,961 from the United Fund. An allocation of \$32,000 has been approved by the United Fund. The fund campaign opens

Local Firefighters Give Fire Prevention Tips

A backyard cluttered with leaves and other debris is a dangerous fire hazard, it was pointed out this week by Quad-City area fire departments who are preparing for next week's observance of Fire Prevention Week.

Suggestions being offered homeowners by local fire departments are:

- Be especially careful not to let dry leaves accumulate near the house or in roof gutters.
- Never start an outdoor fire on a windy day.
- Burn trash and leaves in a covered metal container.

As a precaution, keep the garden hose hooked up and ready for immediate use.

The Quad-Cities' area lone drafter for October won't be departing for training camp alone tomorrow. He will be joined by two volunteers from this area, the county selective service office at Edwardsville announced this week.

The area's quota remains at one, but the call is being adjusted to accommodate the two volunteers.

The local draft quota for October is low because results of September pre-induction physical examinations were not known when the new quota was set.

Ninety local youths took pre-draft physicals on Sept. 4. Quota normally are set by the 10th of each month.

Next month, 65 Quad-Cities are to report Oct. 22 to the county selective service office for pre-induction physical examinations.

New Licensee Ok'd For Senate Tavern

A liquor license application by John H. McDonald, 43, of 1413a Twentyfirst street, for the operation of the Senate tavern, 2105 Grand avenue, was approved Monday night by Granite City council members.

Approval of the new licensee for the tavern was recommended by Harold Hillmer, deputy liquor commissioner. A \$2000 surety bond, by Western Surety Co. accompanied the application.

Two liquor bond renewals also were approved. They were for Victor Reznack for Victor's tavern with Vance and Andrew Reznack as property owner, sureties, and Norma Hoppe for Hoppe's tavern with Otis Price and Troy Gresham as sureties.

Two good reasons for an automatic washer and dryer

(how many "good reasons" in your family?)

WALTZ THROUGH WASHDAY

Today it doesn't take a vast wardrobe... or hours of laundering labor... to keep the family in clean clothes. That is, it doesn't if you have both an automatic washer and clothes dryer.

No need to pile up laundry 'til "washday." With a little button-pushing, your automatic laundry can get grimy play clothes sparkling clean and sweet-smelling in a jiffy.

The more folks there are in your family, the more reasons why mother needs an automatic washer and dryer.

ST. ELIZABETH HOSPITAL AUXILIARY holds pot luck dinner. Among those attending were the following, seated from left to right, front row, Mrs. Pearl Ryckman, Mrs. Charlotte Robbers, Mrs. Ann Palsgrove, Mrs. Esther Zimmer, Miss Irene Krotz, and Mrs. Mary Maylath, a guest who was enrolled at the meeting. Seated in background are Miss Evelyn Nitch and Mrs. Martha Page.

Hospital Auxiliary Holds Dinner for Members, Guests

A pot luck supper was a highlight of the monthly meeting of St. Elizabeth Hospital Auxiliary held Monday evening in the cafeteria.

Thirty-four members and guests were seated at a table decorated for the occasion with candles and flowers by Carl Hager, chef, and Stephen Murphy, cafe manager.

After dinner Donald Stanton, of the hospital staff was introduced by Sister Mary Thomas, hospital administrator, and displayed the new heart machine whose use he explained. The machine was purchased by the Auxiliary at a cost of \$2500.

Mrs. Irene Argelan, president, conducted the business session, and there was a discussion of the new gift card which the Auxiliary is planning to use on the various floors. The program will be started soon.

Mrs. Marie Hampton is chairman of the membership drive which the group is beginning, and each member was requested to bring a prospective member. Also announced was the Ninth District meeting of Illinois Hospital Auxiliaries Oct. 9 in Greenville, and the state meeting in Chicago Nov. 4-5. Delegates to the latter meeting will be Mrs. Argelan and Mrs. Catherine Pisel. The alternates are Mrs. Elizabeth Kelly and Mrs. Hampton.

Guests at Monday's meeting were Mrs. Mary Maylath and Mrs. Ophelia Dorch, who were enrolled. Mrs. Linda Gazdars and Mrs. Dolly Gonzales.

Prizes were won by Mrs. Marian Rose Lambert and Mrs. Bertha Becherer.

Former Resident Is Engaged

Mr. and Mrs. Anthony Luckshis, Rural Route 4, Edwardsville, former residents of Granite City, are announcing the engagement of their daughter, Miss Donna Luckshis, to Ronald Buckingham, a son of Mr. and Mrs. Floyd Buckingham, Rural Route 1, Edwardsville.

The bride-to-be as a 1965 graduate of Collinsville high school. Her fiancé has just returned from Germany where he served with the U. S. Army. A fall wedding is planned.

Elkettes to Hold Membership Tea

The Elkettes will hold a membership tea in connection with a monthly meeting Tuesday, Oct. 5, at 8 p.m., at the Elk's Club.

Surprise entertainment is planned for the evening and each member is asked to bring a guest or eligible member. The fourth and last phase of "headlines in fashions" will highlight the meeting at which "handbags" will be stressed.

All are urged to bring the proceeds from the chicken and dumpling dinner, a fund raising project, to the meeting. Mrs. Bess Weiss, president, will be in charge.

CHURCH BROTHERHOOD WILL HOLD MEETING

The Brotherhood of Calvary Baptist Church will hold a 7:30 breakfast meeting Sunday, Oct. 3, in the church kitchen. New officers for 1965-66 will be elected and the coming revival on Oct. 18 will be discussed. A number of lay leaders are expected to be present to hear Donald Young, a lay speaker of an Evansville, Ind., church, speak on his work with the Brotherhood and with the Royal Ambassadors.

Goals and local issues to be dealt with by the Brotherhood in the coming season will be announced after the October board meeting. Several problems involving the local community will be considered.

HOME EXTENSION UNITS WILL MEET

"What You Should Believe About Foods," a discussion of changes in the nation's food supply and nutrition fact versus fact is the lesson to be given here by Mrs. Catherine Mauck, Home Adviser.

She will visit a meeting of Trio Unit, Homemakers Extension, Tuesday, Oct. 5 at 12:30 p.m. at Hope Lutheran Church, 3715 Wabash avenue and Wednesday, Oct. 6, at 12:45 p.m. of the Nameoki Presbyterian Church, 1700 Pontoon road.

To America with love... The 1966 Chrysler

Could be we're getting too emotional. But it isn't very often you get a chance to follow an all-time sales record year with a new Chrysler like this one.

Sure, our '65 was great. But the '66 is even better.

It looks better. Moves quicker. It's got a beautiful new front end and a very dramatic new rear.

It's got a bigger and more zesty group of V-8 engines. From a 383 cubic inch to a 440 TNT with twin exhausts and twin snorkels. (A "snorkel" is an air intake horn for the carburetor - does great things for performance.)

The interiors, all up and down the line, are more luxurious and comforting. Take our new shell bucket seats, for example. It's almost as if they had been custom fitted for you.

One thing we didn't even think about changing. It has to do with money. Five of our newtop models (real Chryslers - not junior editions) are priced just a few dollars a month more than the most popular smaller cars with the same equipment. This includes features like power steering, power brakes, a 383 cubic inch V-8, automatic transmission, radio and many standard items like safety door handles and seat belts.

Move up to Chrysler... it's getting easier by the minute.

CHRYSLER

On display now.

Convention Tabs For 5 on City's \$27,545 Bill List

A \$27,545 bill list and \$39,167 half-month payroll were approved Monday night by Granite City council members.

Largest item on the bill list was \$10,221 paid to National Disposal Service for September garbage-trash collection.

Another of the larger items was allowances for city officials and officers, totaling \$149. Five aldermen are receiving the \$150 allowances for the Illinois Municipal League convention which opens tomorrow in Peoria and runs through Monday.

They are Edmund Bartosiak, Steve Basarich, Claude Green, Walter Nann and Roy Poulos.

The \$30 monthly expense allowance for September was paid to Boyd Fry, Green, Johnson, Nann, Parnley, Poulos, Robertson, Rutledge and Whitmer.

Mayor Partney's allowance for September amounted to \$169 for auto expenses, lunches, flowers and refreshments.

Other allowances were \$50 each to Street Supt. William Warfield, Building Inspector Orville DeLour, Police Chief Raymond Wilford and Delbert Lampher, city handyman.

An allowance of \$140 for Ronald Voezzer and Michael Devine, police detectives, to attend the University of Illinois training institute on advanced latent fingerprint work (\$70 each) also was approved.

The bill list also included \$11,344 paid to Midwest Black Top Roads, Inc., for 64,923 gallons of asphalt and road oil; \$454 paid to Blava Small Engine Service for two 24-inch chain saws for the street department; \$425 to Leo Kamadulski for weed cutting on 163 lots; \$881 to General Electric Co. for radio units, and \$271 to R. Dron Electrical Co. for maintenance of traffic signals and sewer lift stations.

Removed from the bill list was a \$20 taxicab fare for Burnice Angle, who went to Clayton, Mo., for a physical examination in connection with an injury. The fare includes a two-hour wait.

Angle was injured when he was hit in the head by a rock while he was operating a city insect fogging machine.

General Steel Gets Terminal Car Order

General Steel Industries, Inc., of Granite City will manufacture 20 flat cars for Illinois Terminal Railroad Co. as part of an order for 360 new freight cars which has been placed by Illinois Terminal at a cost of approximately \$5,000,000.

Earl L. Keister, Illinois Terminal Railroad president who announced the order, said the cars ordered from General Steel will be standard cast steel underframe flat cars equipped with chain tie-downs.

Remainder of the order includes one-hundred 100-ton fixed-end gondolas to be built by Maggot Car Corp. of Clifton, N. J., one hundred 70-ton fixed-end gondolas by Ortner Freight Car Co., Covington, Ky., one hundred 50-foot standard box cars and thirty 50-foot specially equipped box cars by Pullman Standard Co., Michigan City, Ind., and ten 50-foot, 70-ton specially equipped box cars by General American Transportation Corp., East Chicago, Ind.

Deliveries are to start next month.

Maddox Motors Displays New Chryslers, Plymouths

New model Chrysler and Plymouth automobiles will go on display at Maddox Motors Co., 4100 Nameoki road, Thursday, according to announcement by Robert Maddox, operator of the motor firm.

Maddox said that his firm will have the Newport, Chrysler 300 and New Yorker models of the Chrysler available for public view, and will display the Belvedere, Fury, Valiant and Bar-

racuda models of Plymouth. The Chrysler line, in particular, features the new 440 V-8 power, "pak" engine with 4-barrel carburetor with twin snorkels and twin exhausts. It features Chrysler's Tilt-A-Scope steering gear and Safeguard Sentinel lighting.

Among features of the Chrysler models is the all overhead valve 90-degree lateral V-8's with a firepower of 383 and two-barrel carburetor which runs on regular gas in the Town and Country station wagons; firepower of 383 XP (extra power) and four-barrel carburetor in the Chrysler 300; firepowers of 440 and 440TNT, four-barrel carburetor in the New Yorker with twin snorkels and twin exhausts.

Many other features are included either as standard equipment, or optional at the wish of the purchaser. The Newport, for example, includes power steering, power brakes, automatic transmission, radio, heater and seat belts, front and rear. While wall tires are another feature.

The Chrysler 300 has an optional console with the Torque-Flite transmission. The 300 comes in 2-door hardtop, 4-door hardtop and convertible.

New power disc brakes up front make stopping even faster and more sure, according to the dealers, who point out that there are unlimited features in upholstery, lighting, heating and other necessary adjuncts of all models.

NEW YORKER CHRYSLER is among new automobile models to be displayed Thursday by Maddox Motors Co., 4100 Nameoki road. The firm, which also handles Plymouths, will display the Chrysler 300 and Newport models as well.

Lt. Paul Moore Retires, Starts State Job Friday

Simon Urges Citizen
Action, Tax Revision

Fifty persons met at the Peace Lutheran Church Monday night under auspices of the Citizens for Economic Improvement for Nameoki Township to hear a talk by State Sen. Paul Simon, who said existence of such citizen activity is a "healthy situation" in a democracy.

Sen. Simon said, the Illinois tax structure and the township form of government are outmoded in many ways. He reviewed state income tax proposals and said most of them call for elimination of the personal property tax, reduction of the real estate property tax and revision of the sales tax to omit such purchases as food.

While township government deficiencies are apparent in fast-growing suburban areas, the town must be continued because it also serves many farming areas, the speaker commented. He urged that citizens keep in contact with local-level taxing agencies and with the Municipalities Committee and other units of the state government and legislature.

Simon was presented with lifetime membership in the group. President Michael Ropac presided.

\$406,804 Bond Sales

Madison county residents purchased a total of \$406,804 in Series E and H United States savings bonds in August, according to Henry D. Karandoff, Granite City banker and general county chairman of the savings bonds committee.

Lt. Paul Moore is retiring from the Granite City Police Department effective tomorrow after more than 22 years of service on the force.

The veteran police officer, who also served on departments in Michigan and in the old village of Nameoki before it was incorporated with Granite City, will immediately begin his duties as a state license examiner and will be in Springfield Friday in connection with his new duties.

Lt. Moore, 59 years old, decided to retire at this time as he is eligible for a police pension and an opportunity for a state job does not come often "at my age."

With his new appointment plus a pension of \$500 per month from the police pension fund, "we will do quite well," he said.

Lt. Moore once was connected with police and fire departments at Highland Park and Detroit, Mich., before he joined the Nameoki force. He was employed there for more than a year before joining the Granite City force.

Motorcycle Patrolman He served as a motorcycle patrolman for 15 years, after which he became a sergeant. His promotion to the rank of lieutenant followed soon. When he started here in 1943, the Granite City department had 13 men on the force. It has grown to the current 42-man force, and plans are being made to increase the size of the staff by two.

Lt. Moore still maintains an interest in traffic safety and in motorcycles. He is president of the Quad-City Safety Council and was a member of the city's traffic safety commission. He had postponed his vacation from July until this month to work with en-

gineers on the city's recent traffic survey.

Stresses Safety

His interest in motorcycle safety is mostly through his son, Robert, 20, who resides at home. The son, employed at Granite City Steel Co., does some racing, and both are stressing motorcycle safety. "We don't go too much for those cowboys," he remarked.

Lt. Moore also was known as a local band leader, playing at numerous functions, and still is affiliated with the musicians union. He is a saxophonist. "I might get back into playing weddings and that sort of thing," he added.

The veteran police officer is a member and past president of the Madison County Police Association and the Police Benevolent Association. He, his wife and son reside at 2613 Iowa street. Another son, John Paul, is married and Lt. Moore has three granddaughters.

Convention Tabs For 5 on City's \$27,545 Bill List

A \$27,545 bill list and \$39,167 half-month payroll were approved Monday night by Granite City council members.

Largest item on the bill list was \$10,221 paid to National Disposal Service for September garbage-trash collection.

Another of the larger items was allowances for city officials and officers, totaling \$149. Five aldermen are receiving the \$150 allowances for the Illinois Municipal League convention which opens tomorrow in Peoria and runs through Monday.

They are Edmund Bartosiak, Steve Basarich, Claude Green, Walter Nann and Roy Poulos.

The \$30 monthly expense allowance for September was paid to Boyd Fry, Green, Johnson, Nann, Parnley, Poulos, Robertson, Rutledge and Whitmer.

Mayor Partney's allowance for September amounted to \$189 for auto expenses, lunches, flowers and refreshments.

Other allowances were \$50 each to Street Supt. William Warfield, Building Inspector Orville DeLour, Police Chief Raymond Wilford and Delbert Lampher, city handyman.

An allowance of \$140 for Ronald Voezzer and Michael Devine, police detectives, to attend the University of Illinois training institute on advanced latent fingerprint work (\$70 each) also was approved.

The bill list also included \$11,344 paid to Midwest Black Top Roads, Inc., for 64,923 gallons of asphalt and road oil; \$454 paid to Blava Small Engine Service for two 24-inch chain saws for the street department; \$425 to Leo Kamadulski for weed cutting on 163 lots; \$881 to General Electric Co. for radio units, and \$271 to R. Dron Electrical Co. for maintenance of traffic signals and sewer lift stations.

Removed from the bill list was a \$20 taxicab fare for Burnice Angle, who went to Clayton, Mo., for a physical examination in connection with an injury. The fare includes a two-hour wait.

Angle was injured when he was hit in the head by a rock while he was operating a city insect fogging machine.

General Steel Gets Terminal Car Order

General Steel Industries, Inc., of Granite City will manufacture 20 flat cars for Illinois Terminal Railroad Co. as part of an order for 360 new freight cars which has been placed by Illinois Terminal at a cost of approximately \$5,000,000.

Earl L. Keister, Illinois Terminal Railroad president who announced the order, said the cars ordered from General Steel will be standard cast steel underframe flat cars equipped with chain tie-downs.

Remainder of the order includes one-hundred 100-ton fixed-end gondolas to be built by Maggot Car Corp. of Clifton, N. J., one hundred 70-ton fixed-end gondolas by Ortner Freight Car Co., Covington, Ky., one hundred 50-foot standard box cars and thirty 50-foot specially equipped box cars by Pullman Standard Co., Michigan City, Ind., and ten 50-foot, 70-ton specially equipped box cars by General American Transportation Corp., East Chicago, Ind.

Deliveries are to start next month.

Maddox Motors Displays New Chryslers, Plymouths

New model Chrysler and Plymouth automobiles will go on display at Maddox Motors Co., 4100 Nameoki road, Thursday, according to announcement by Robert Maddox, operator of the motor firm.

Maddox said that his firm will have the Newport, Chrysler 300 and New Yorker models of the Chrysler available for public view, and will display the Belvedere, Fury, Valiant and Bar-

racuda models of Plymouth. The Chrysler line, in particular, features the new 440 V-8 power, "pak" engine with 4-barrel carburetor with twin snorkels and twin exhausts. It features Chrysler's Tilt-A-Scope steering gear and Safeguard Sentinel lighting.

Among features of the Chrysler models is the all overhead valve 90-degree lateral V-8's with a firepower of 383 and two-barrel carburetor which runs on regular gas in the Town and Country station wagons; firepower of 383 XP (extra power) and four-barrel carburetor in the Chrysler 300; firepowers of 440 and 440TNT, four-barrel carburetor in the New Yorker with twin snorkels and twin exhausts.

Many other features are included either as standard equipment, or optional at the wish of the purchaser. The Newport, for example, includes power steering, power brakes, automatic transmission, radio, heater and seat belts, front and rear. While wall tires are another feature.

The Chrysler 300 has an optional console with the Torque-Flite transmission. The 300 comes in 2-door hardtop, 4-door hardtop and convertible.

New power disc brakes up front make stopping even faster and more sure, according to the dealers, who point out that there are unlimited features in upholstery, lighting, heating and other necessary adjuncts of all models.

NEW YORKER CHRYSLER is among new automobile models to be displayed Thursday by Maddox Motors Co., 4100 Nameoki road. The firm, which also handles Plymouths, will display the Chrysler 300 and Newport models as well.

Central Christian Church Changes Hours

Rev. James R. Craddock, pastor of Central Christian Church, 2609 Johnson road, is announcing a new schedule of hours for the fall, effective Sunday, Oct. 3.

Beginning World Wide Communion Sunday, the schedule will be church school at 9:30 a.m. and morning worship 10:40. The Senior High C.Y.F. with Mr. and Mrs. Edward Linton as sponsors, and the Junior High Chi Rho Fellowship under the leadership of Mr. and Mrs. Joe Bilbrey Jr., and Miss Imaleen Bilbrey, will continue meeting at the regular hour of 6 p.m.

On this Sunday approximately 20 Junior High and Senior High youth and their sponsors will join with the youth of other Christian Churches of Madison and St. Clair counties in a Fall Youth Round-Up at Kendall Park near Edwardsville.
